THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas the following Baptist churches, Antioch, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Ebenezer, Flats Spring Creek, French Broad, Hot Springs, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, North Fork, Paynes Chapel, Piney Grove, Union and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom, by the maintenance of love and friendship, and by mutual consultation, for peace and welfare of each other, the following articles are adopted as the written bond cf union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true Living God and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association, or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs, and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned, to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided, that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so ,and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charge shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years shall be cause to withdraw from such church .at the discretion of the Association.

Section 15.—It shall be the duty of the Moderator to appoint a committee to nominate seven, subject to the ratification of the Association, who constitute an Executive Committee, four of whom shall be a business quorum. The meeting of this committee may be held either during the session or in the absence of the Association.

Section 16.—The Executive Committee shall be the Association ad interim. This committee shall be required to make a written report to this body at its annual session. It shall also prepare an order of business for the annual meeting of the Association.

Section 17.—It shall be the duty of this committee to examine all applications for aid who may be recommended by the churches, respectively, of this Association, as suitable candidates for the Ministry, and, if found worthy, to afford them such aid as the Association sees proper.

Section 18.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceding year.

REPORTS

REPORT ON STATE OF CHURCHES

"That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish". Eph. 5:27.

We find our churches all in good shape, not as good as should but have pastors and Sunday schools except Ceder Hill which did not report to the Association last year and this year, but did report to the Sunday school convention last year and this year.

Last year there were 2,720 members reported including 52 members for Ceder Hill. This year there are 25 churches reporting with 3,071 members including 120 baptisms, and Ceder Hill with 52 members.

TEMPERANCE REPORT

Drink has drained more blood,
Hung more crepe, sold more houses,
Plunged more people into bankruptcy
Armed more villians, slain more children,
Snapped more wedding rings, defiled more innocence,
Blinded more eyes, twisted more limbs
Dethroned more reason, wrecked more manhood,
Dishonored more womanhood, broken more hearts,
Blasted more lives, driven more to suicide,
And dug more graves than any other poisoned
Scourge that ever swept its death-dealing wave across the world.

REPORT ON STATE OF MINISTERS

In North Carolina we have 2,107 ministers reported in 1940, and of this number approximately 1,280 are pastors and assistant pastors with 2,574 Baptist churches.

In the New Found we had 29 ministers reported in 1940 and two licentiates and out of this number 10 were pastors and assistant pastors. Out of this number only 13 ministers attended the Ministers Fifth Sunday meeting (3 too old) and no licentiates.

We believe that there is a very distinct and deeper fellowship realized and closer relationship is noticed, and a clearer understanding of their task is evident among our New Found ministers attending the Fifth Sunday meetings.

ORPHANAGE REPORT

The children who compose the population of the Baptist Orphanage of North Carolina may be classified under three heads: full orphans, half orphans, and victims of desertion and wrecked homes. These classes of children are being cared for by three well-known methods at the Baptist Orphanage: Mothers' Aid, Boarding Homes and the Orphanage proper.

In 1939 the New Found helped $356.52; in 1940 we helped $506.63 and in 1941 we helped $460.65 in this worthy cause.

REPORT ON SUNDAY SCHOOLS

The highest desire of our churches in the New Found is to see our Sunday schools grow into a better stewards of the manifold grace of God. In 1939 report of 1,594 enrolled in Sunday school with average attendance of 1,120. In 1940 report of 1,784 enrolled with average attendance of 1,191. In 1941 report of 2,032 enrolled with average attendance of 1,378 in the New Found Association.

During the year we have held one Sunday school conference at Piney Grove sponsored by the Southern Baptist Board of Nashville, Tenn., and the annual Sunday school convention at Flats Spring Creek, August 2-3.

CO-OPERATIVE PROGRAM REPORT

Every Church member should know that half of our southwide Co-Operative Program dollar goes to foreign mission. Each church member should know that the half kept at home is used to evangelize, teach, train, heal and enlist all our people, including the foreigners, Indians and Negroes in all our work, and that a part of it is used to train our preachers and missionaries and to care for them when they retire.

REPORT ON PERIODICALS

"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shall be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children." Hosea 4:6.

Never before has the Christian journal been faced with more important or urgent mission than today. The Christian journalist faces a world that is bleeding and dying for lack of faith in God and man, for lack of courage to face life heroically, and for lack of wisdom and understanding to live it courageously.

Let our people talk and encourage our people to read our denominational papers, books and journals. Our own Biblical Recorder of North Carolina and many others.

MEMORIAL REPORT

When faithful souls depart from their earthly habitation we naturally are filled with regret at their passing, but when such a flight is preceded by a life of service and devotions, we also rejoice that at last the weary one may lay down the burdens and cares of the world and receive the reward so richly deserved: therefore be it resolved:

1st—That we humbly submit to the will of Him who doeth all things well.

2nd—That this Association extend our love and sympathy to all the bereaved ones.

REPORT ON MISSIONS: HOME, STATE AND FOREIGN

The Missionary task committed to us by our Master is so general that it extends to all the world. It is so specific that it includes every individual. Christ must rule in the homeland if we expect to win victories for Him away from homeland. Approximately 411 missionaries in 863 mission stations and have distributed near 40,362 Bibles, Testaments, and portions of scripture and 660,847 tracts. They have preached 34,008 sermons, led 9,000 to make profession of faith in Christ, and received into fellowship with the church 4,672.

REPORT ON RELIEF OLD AGE MINISTERS

We owe a distinct duty to render helpful assistance to the needy, aged and infirm ministers who have served man well in blazing the paths gone by. We do urge that the local churches give special attention to the old ministers relief funds that are now caring for our old age ministers through our relief board.

REPORT ON BENEVOLENCE AND HOSPITAL

The Baptist State Convention authorized the Baptist State Hospital at Winston-Salem on November 17, 1920. This hospital was chartered December 27, 1922 and began operation May 28, 1923. Mr. Smith Hagaman, Superintendent.

October 15, 1940, cared for 50,000 patients and out of this number 20,700 were admitted and treated without charges. This free service amounted to $2,000,000.

REPORT ON EDUCATION

"Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this thy so great a people?" 1 King 3:9.

We are glad to note that the State Board has strongly placed the emphasis on "Christian Education". As much as Baptist believe in education, we believe more in Christian education. We do not believe that education can save the world; we believe that Christianity can save it.

Education is like a knife; you must handle it from the right end. The end to start with is knowledge of God.

REPORT ON FINANCE

We, your committee on finance, find that the treasurer has received $22.47 from the various Sunday Schools and an offering of $4.15 at the Sunday School Convention, a total of $26.62. The churches have sent in and paid to the treasurer $63.37 with an offering at the Association of $5.35, a total of $68.72. Ministers Meeting $1.35, a grand total $96.69.

Committees: Miss Edith Brown, Mrs. Delia Freeman, Miss Maud Graham, and Miss Nell Rogers.

The above statement is correct. In the Statistical report Table No. 6 it shows churches have paid in $85.84, that includes what the Sunday Schools have sent in as they are added together but that does not include the offerings at both places, which makes a grand total of $96.69, including $1.35 from the ministers Fifth Sunday meeting. This minute has cost $2.00 per page for 600 copies not counting postage. J. Henry Roberts, Treasurer.

REPORT ON MISSIONS: HOME, STATE AND FOREIGN

Home Mission was established in 1845. The task of Home Mission is making and baptizing disciples, to bear upon the immigrant populations in our industrial centers, helping the underprivileged to realize a new life in Christ.

State Mission—Each of the eighteen states and the District of Columbia in the territory of the Southern Baptist Convention has a well-organized and functioning State Mission Board through which Christ's threefold ministry of preaching, teaching and healing is being carried out.

Foreign Mission was established in 1845 and have had missionaries over most of the entire globe but since this war several of the missionaries have had to return home and now instead of sending God's word of Truth to the foreign fields our government is having to send airplanes, bombs, tanks, and soldiers by the millions and is spending billions of dollars. Suppose all this expense had been for spreading the Lord's word and paying missionaries, would this war have been?

Committee

REPORT ON CO-OPERATIVE PROGRAM

We, your committee, think the Cooperative Program is the best plan by which we can help all causes in the support and promotion of Christ's work on earth. This plan has been worked out so the funds are distributed proportionately among the different objects of our own work according to their operating needs. 60 percent of the amount sent to Cooperative Program remains in the State for State Causes and 40 percent goes to the Southern Baptist Convention for Southwide causes.

Committee

REPORT ON TEMPERANCE

All thinking people are more or less aware of the fact that the use of alcohol as a beverage is detrimental to the physical being, the heart, and so paralyzing to the mental brain that the result is immorality. It blights the good name and lowers the morals of our young men and girls who, without repentance and faith in God, will have to go down beyond the reach of mercy.

Committee

REPORT ON STATE OF CHURCHES

All churches reported last year except Ceder Hill and they have since called a pastor and are going along nicely. So all the churches had Sunday Schools and pastors this last year. We feel that our churches need more zeal, courage and discipline. Not any of our churches can say we did our best and could not have done more. It is pathetic to see the number that have done so little. This, with the world conditions, should bring us to this Association with a greater sense of responsibility than ever before. We are standing at the turning of the ways.

The Lighthouse of God that sails on the trouble sea of time to shine the bright rays of God's rich grace to a lost world. If we fail how great is the darkness.

REPORT ON OLD MINISTERS RELIEF

There are now around 50 men and 65 women in North Carolina whom the Relief and Annuity Board of the Southern Baptist Convention supply relief to aged ministers and their widows, the amount ranging from $9 to $30 per quarter.

The board should find a larger place in the hearts of the church members than has been accorded it in the past. This board surely has rendered a great service and it is capable of rendering a greater service if we will do our part in cooperating with the board for the old ministers.

Committee

SUNDAY SCHOOL REPORT

There are 26 churches in the New Found upto this Association and all have Sunday Schools. We have 3,061 church members as reported in 1941 and only 2,032 enrolled in Sunday School with average attendance of 1,378. In the state we have 2,582 churches with a membership of 526,494 of which 2,548 have Sunday Schools. Added to this we have 20 Mission Sunday schools, making a total of 2,568 Sunday schools with a membership of 412,813 which is 113,681 less enrolled in Sunday schools than we have church members.

Committee

REPORT ON EDUCATION

Study to show thyself approved unto God, a workman that needeth not to be ashamed. Train a child in the way he should go and give him a Christian education for the fear of the Lord is the beginning of knowledge. The father of success is work; the mother of success is ambition; the oldest son is common sense; some of the other boys are perseverance, honesty, thoroughness, foresight, enthusiasm, and cooperation.

The oldest daughter is character. Some of her sisters are cheerfulness, loyalty, courtesy, care, economy, sincerity, and harmony. The baby is opportunity.

Get well acquainted with the father, and you will be better able to know the other members of the success family.

Committee

REPORT ON STATE OF MINISTERS

We have 2,036 ordained ministers in North Carolina and out of this number 1,314 are pastors to preach to 2,582 churches with a congregation of 526,494 members. In the New Found we have 30 ordained ministers with 29 churches with a membership of 3,210 to preach to and only 12 are pastors.

The New Found Ministers have their Fifth Sunday meetings and we feel they should be congratulated for their Fifth Sunday meetings and that they have been helped by the meetings.

"Walk boldly and wisely in the light thou hast; there is a hand above will help thee on."

Committee

REPORT ON ORPHANAGE

It is very necessary to be "All Out For Defense" and "Total Defense" for our country but let us not overlook the very thing we are preparing to defend. If we do not make this nation a safe place for our childhood, our Defense Program will be in vain.

We are glad to report that last year the Baptist Orphanage cared for 739 children in addition to making adjustments for a large number of others with their relatives and friends; 59 were cared for in their own homes at a cost of $1,440; 28 in boarding houses at a cost of $3,959.34. 564 applications were received and investigated.

Committee

REPORT ON PERIODICALS

We wise men are ashamed, they are dismayed and taken: lo, they have rejected the word of the Lord; and what wisdom is in them? (Jeremiah 8:9).

People are starving for good books and papers to read that would be inspiring and uplifting to them in a war torn world like this we have. Why not more of our people of North Carolina read the Biblical Recorder which was founded in 1835 by Thomas Meredith and bought by our Baptist people of N.C. in 1939. Then we have the Charity and Children owned by our Baptist Orphanage which helps the Baptist Orphanage of N.C. and many other Baptist Papers as well as books.

How are we to know what our missionaries are accomplishing, both at home and abroad unless we study The Commission, the "Foreign Mission Magazine" and "Home Mission" the Home Mission Magazine. We recommend that every church member get acquainted with these good magazines. Don't just take them but read for food to your soul.

REPORT ON BENEVOLENCE AND HOSPITAL

Our hospital at Winston Salem has been equipped with $44.000 worth of X-ray and now have 300 beds and can approximately take care of 10,000 patients annually. They have a staff of 100 doctors, all specialists in their several fields. They have at their service the entire staff of the Medical School, which is an addition to the Wake Forest College built in Winston Salem.

The hospital has a well conducted Training School for Nurses, with an enrollment of 71 last year and this number will be increased from time to time.

Committee

REPORT ON MEMORIALS

We, the committee on memorials, find that there has been several removed from our midst, by death, since this time last year and we feel we have lost friends whose fellowship it was an honor to enjoy. That we offer to the bereaved families and mourning friends, over whom sorrow has hung her sable mantle, our heartfelt condolence, and pray that Infinite Goodness will inspire their loved ones and friends with the consolation that hope in futurity and faith in God who doeth all things well.

Committee

REPORT ON RESOLUTIONS

Wit hthankful hearts we record our sense of the privilege that has been ours as a convention, the 87th Annual Session of the New Found Missionary Baptist Association, of meeting in this hospitable community of Piney Grove Missionary Baptist Church and to these good women folks for having so well prepared the good eats to sustain life and strength while in their midst.

1) We wish to express our lasting appreciation to the pastor, Rev. Kimsey R. Ball, for his kindness and good will.
2) We wish to express our good will towards the Ministers for the good work they are doing in their Fifth Sunday meeting which we believe has done a lot of good and caused good fellowship toward each other.
3) That we go on record and try to do more in the upbuilding of our Sunday Schools and back up the Annual Sunday School Convention more than we have heretofore.
4) We, the committee, suggest to this Association that our churches do adopt a resolution to cooperate in the doctrine of God's word and to discard all heresies that are being preached in our Association that is confusion and bringing in the fancies contrary to the doctrine of our Lord.

PROCEEDINGS

THURSDAY, AUGUST 12, 1943

Morning Session

10:30 A. M. The eighty-eighth annual session of the New Found Missionary Baptist Association was called to order by the Moderator, Bro. Ira Plemmons, at Ebenezer Baptist Church, with its splendid scenery looking down the valley and on each side of the high peaks.

Song service by local choir. Committees on Admission of New Churches and Memorials were appointed. (See under heading "Committees"). Song by local choir, "Sweet By and By." Prayer by Rev. Everett F. Sprinkles. Introductory sermon by Rev. Robert B. Vaughn, the appointee. Topic, "Give Most Earnest Heed to the Things We've Heard Lest We Let Them Slip. How Can We?" He preached an excellent sermon.

Roll call of churches and eighteen answered out of 29. All churches reported except Inanda Memorial.

Balance of all the committees were appointed at this time.

Visitors recognized. (See list under "Visitors").

Report on admission of churches called and read. No new church applied.

Report on Memorials called and read. All committees will be found under the heading of "Committees".

REPORT ON MEMORIALS

We, your committee, find that several churches have reported the loss of members by death last year. We do not know how to justly honor them. The bereaved families have our sympathies in their loss but it is a consolation to know that they have gone to the mansion not made with hands. Through the Lord's wisdom they have left us and we bow to the Lord's will. May the Lord bless the loved ones and the circle be united.

Committee.

Moved and second the report be adopted. Discussed by Rev. B. B. Plemmons, Rev. L. W. Bug, and Rev. Ben Cook. The report approved as read.

Song by congregation. Dismissed for dinner by Rev. L. W. Bug.

Afternoon Service

2:20 P. M. Song, "In The Sweet By and By". Prayer by Rev. E. Venson Plemmons.

At this time the chair called on Bro. M. O. Alexander and he gave us a good talk on Orphanage. Miss Laura Mae Hilliard was called and she gave us a good talk on her Associational work.

Report on State of Churches called and read.

REPORT ON STATE OF CHURCHES

All churches reported last year and have pastors and Sunday Schools. We had 29 churches reported last year with a membership of 3,210 members, including 107 baptisms, which was a gain of 149 members, including a loss of baptisms of 13. We know that there has not been any of the churches doing what they could have done this last year and pray the Lord they will do better in the future.

Committee.

Report on Missions, Home State and Foreign, called and read.

REPORT ON MISSIONS, HOME, STATE AND FOREIGN

As our Lord Jesus stood on the Mount of Olives, he gave His departing word to the disciples and to you and me when He said: "Go ye into all the world and preach the gospel to every creature." (Mark 16:15).

If a congregation is not a missionary church, fifty years afterwards it will be a missing church.

"Your love has a broken wing if it cannot fly across the sea."

We are glad to report that the Foreign Mission Board is out of debt. On January 1, 1933, the Baptist Foreign Mission Board owed $1,110,000 to four banks in Richmond, Va., and during the ten years have paid out $1,625,643.56.

REPORT ON OLD AGE MINISTERS' RELIEF

We, your committee, wish to re-emphasize the reports on Old Age Ministers' Relief. We sure have a distinct duty to render all the help we can for these good old brethren that have paved the way for these new preachers that their last days among us will be their happiest days.

Report on Education called and read.

REPORT ON EDUCATION

"He that hath knowledge spareth; and a man of understanding is of excellent spirit" (Prov. 17:27). We feel that the only way this can be done is by the right kind of education. We believe in a trained mind brought into submission to Christ. Job 28:23, "And unto man he said, Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding." On this basis the Baptists have established high schools, colleges and seminaries with Christ as its center. If the Christian is the salt of the earth and the light of the world because of these schools the salt is more powerful and the light has had its bushel removed and has been placed on the higher candlestick.

Report on State of Ministers called and read.

REPORT ON STATE OF MINISTERS

As reported last year in the state of North Carolina we had 38 ordained Baptist Ministers serving as Chaplains in the Army and Navy. We had 1,362 Baptist pastors serving 2,609 Baptist Churches with a membership of 526,495. We had 18 Baptist Ministers not doing any pastoral work, a total of 30 ordained ministers and 3 Licentiates in the New Found. One Minister has been excluded since last report 1942.

We want to congratulate the New Found Baptist Ministers in the work they are doing in their Fifth Sunday Meetings and urge all the ministers to attend these meetings.

Report on Temperance called and read.

REPORT ON TEMPERANCE

We wish to repeat the report of last year on Temperance:

"All thinking people are more or less aware of the fact that the use of alcohol as a beverage is detrimental to the physical being and so paralyzing to the mental brain that the result is immorality. It blights the good name and lowers the morals of our young men and girls who, without repentance and faith in God, will have to go down beyond the reach of mercy."

Report on Sunday Schools called and read.

REPORT ON SUNDAY SCHOOLS

There are 2,609 churches in the state, of which 2,584 have Sunday Schools. Added to this there are 25 Mission Sunday Schools, making a total of 2,609 Baptist Sunday Schools, with a membership of 403,763. In the New Found last year there were 29 churches reported, a membership of 2,064 in Sunday Schools, with an average attendance of 1,426. In 1942 there were 26 churches reporting a membership of 2,032, with an average attendance of 1,378. With three new churches coming in last year there was a gain of 32 in membership and 48 average attendance. In proportion we lost last year but hope we have gained in 1943.

Report on Periodicals called and read.

REPORT ON PERIODICALS

"Thou wilt keep him in perfect peace, whose mind is stayed on thee, because he trusteth in thee." Isaiah 26:3.

Today more people are able to read than ever before in the history of the world. Due to traveling conditions people are staying at home more closely and need something to read. The Bible is recommended first but there are supplements to it that are spiritually uplifting, too. Parents need to provide good wholesome reading in the home for themselves as well as to feed the minds of those children. A mind tends to grow like the food it gets. More people should take the *Biblical Recorder*, which is owned and published by the Baptists of North Carolina. The *Charity and Children*, which is owned and published by the Baptist Orphanage of North Carolina, is especially interesting to children. Both of these papers are published weekly.

We call ourselves Missionary Baptists but do we know anything about those who are spreading the gospel to the ends of the earth?

We can better pray for our missionaries if we know of them and their work. The *Home Missions* magazine tells of the work of our home missionaries of which there are 435, and *The Commission* helps one to know how the gospel is being spread around the world as well as conditions now existing in war torn countries around the world. Both of these are monthly magazines published by the Southern Baptist People.

Report on Orphanage called and read.

REPORT ON ORPHANAGE

We, your committee, take notice that last year out of 29 Baptist Churches in the New Found, 17 churches gave to the Orphanage $481.12, while 12 churches did not even give a drink of water, but two of them did help in hospital work and Associational missions, leaving ten churches that did no mission work in any way.

We believe it our duty to help the needy ones, the widows and the orphanage and our love has a broken wing if it cannot fly to the rescue of the needy ones.

Report on Hospital and Benevolence called and read.

REPORT ON BENEVOLENCE, HOSPITALS, ETC.

Around 60 men and women are receiving quarterly stipends from the relief funds of the Relief and Annuity Board ranging from about $10.00 to $30.00 per quarter. In most cases the funds should be three or four times more. The expansion program of the hospital at Winston-Salem has been completed in 1942. The change in the bed room is from 100 to about 300, and it has cared for from 4,000 to

10,000 patients annually. About $44,000.00 has been spent for X-ray equipment, requiring fifteen rooms for housing this department. The hospital has about 26 internes and about 75 doctors. The classes in nurses have been enlarged and can provide for about 150 nurses, and last year had 105 in training for nurses.

COOPERATIVE PROGRAM

Southern Baptists have a wonderful program, "Cooperative Program," in which we all, Baptist Missionaries, can help carry on the program of Jesus Christ, namely, Teaching, preaching and healing. These causes are listed as follows: State, Home, and Foreign Missions, Christian Education, Ministerial Relief, Hospital and Orphanage. This plan makes it possible for every Missionary Baptist to support all the causes.

Report on Resolutions called and read.

REPORT ON RESOLUTIONS

Your committee wishes to make the following report:

1. To the good people of Ebenezer and the good Pastor, E. Venson Plemmons, who have done all in their power for the convenience of the messengers to this Association, we express our profound gratitude which is felt by every member of this Association.

To those with beautiful Christian hospitality who have opened their homes to the guests and prepared such lovely eats as we have enjoyed here on the grounds. Thanks to the good ladies for the eats.

2. We note that when some of our church members move from one place to another they fail to remove their church membership with the following disastrous results:

A. These members become Christians adrift without a church home and their interest in the Kingdom work being lost at about twenty per cent.

B. The "home church," continues to report inactive members maintains a dishonest roll of active members.

C. On the basis of these church reports of active membership carries on this statistical dishonesty, and really loses many active Baptists through this slipshod method used by the church in dealing with absentee members and in granting or not granting letters to them.

Therefore, be it resolved:

That every pastor in this Association and the deacons be more business-like and see that all members changing residence move their membership also. If not, another way is to find out the name of the church, if it can be done, and take the matter up with that church and give the letter to that church for the member and let's stop this dishonesty in the statisical reports.

Committee.

Motion and second the report be adopted as read. No discussion, the report was approved.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Baptist churches did at Piney Grove, August, 1942, amend the Constitution by striking out Sections 15, 16 and 17, as adopted at Union, August, 1937:

Antioch, Bear Creek, Bethel, Beulah, Caney Fork Ceder Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Hopewell, Hot Springs, Inanda Memorial, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, Mount Zion, New Hope, North Fork, Old Bull Creek, Payne's Chapel, Piney Grove, Redmon, Turkey Creek, Union and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judcial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charge shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14. The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR

RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer, and an Assistant Clerk shall be chosen annually by ballot, or, if unanimously, by acclamation on the second day of the annual session of the body, which shall be the last order of business.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to said office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present, but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator and if recognized shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members, and vote taken separately.

10.—No member shall absent himself from any meeting of the Association without leave of the Moderator.

11.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

12.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

13.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

14.—The minutes shall be leisurely read, subject to correction, at the commencement of each morning session, and as the last act of the association before final adjournment.

15.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

16.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

17.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

18. These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws were voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session. By-Laws sections 7-8-17-21 were dropped by a unanimous vote of the 87th session, 1942, and changed as they now read).

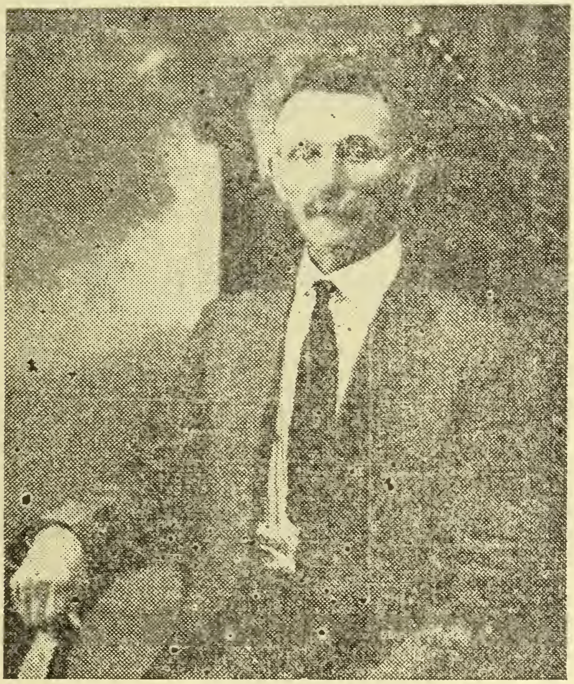
IN MEMORY OF THE LATE
GEORGE W. WILD
WHO DIED APRIL 8, 1944



1861-1944

Dedicated to the memory of the late George W. Wild by the North Fork Baptist Church, Big Pine, N. C., for his faithful work in the church and Sunday School. Brother Wild was a member of this church for 60 years, and served as Deacon and Sunday School Superintendent for more than 40 years. When his age and health would not permit him to be active in the work any longer, the Sunday School elected him Honorary Superintendent for life. He served for a number of years as Moderator of the New Found Missionary Baptist Association. We miss him in the church and Sunday School work, but our loss is heaven's gain.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Baptist churches, Antioch, Bear Creek, Bethel, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Hopewell, Hot Springs, Inanda Memorial, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, Mount Zion, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Piney Grove, Redmon, Turkey Creek, Union and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Reedemer's Kingdom, by the maintenance of love and friendship, and by mutual consultation, for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association, or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union. by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned, to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charge shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information on subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

12:25 P. M. Report on Benevolence, Hospital, called and read.

BENEVOLENCE, HOSPITAL REPORT

Under this report we think of the orphanage, hospital and ministers relief when the word "Benevolence" is mentioned. The Baptist hospital in N. C. is statewide in its service, but more important, the coming of the Wake Forest Medical School with its staff of specialists, highly trained in many fields of medicine, enables the hospital to more fully fulfill its obligation. Something like seven or eight thousand patients are cared for per year at the Baptist hospital.

COMMITTEE: J. H. Clark, C. E. Duckett and Furman Willett

Motion and second the report be adopted. No discussion. The report was adopted as read.

Report on Cooperative Program called and read.

COOPERATIVE PROGRAM REPORT

We wish to say a very serious word concerning the Cooperative Program. We believe this is the best method that has been devised by Southern Baptists for the adequate, continuous and dependable support of all phases of our Baptist work. We recommend that our churches send more funds to the Cooperative Program than heretofore. Send funds to Mr. M. A. Hudgins, Treasurer State Baptist Board, Biblical Recorder Building, Raleigh, N. C.

COMMITTEE: L. E. Baker and Nellie Kirkpatrick

Moved and second the report be adopted as read. Discussed by Mrs. H. A. Snelson. Report adopted.

Report on Memorials called and read.

MEMORIAL REPORT

We, your committee on Memorial, find that a number of our good church members have passed on to their reward since we met in 1943. Some of them have left a gap in the life of our work in the New Found. Uncle George W. Wild of North Fork and one of our old standbys, will be with us no more in this world. The passing of all our members that have received their reward leaves a gap for someone to fill.

Resolved. First, that we bow in humble submission to the will of an all-wise God and our heavenly Father.

Second, that we extend our deepest sympathy to their loved ones, and commend them to the care and comfort of a loving heavenly father.

COMMITTEE: Miss Pauline Snelson and Millard Freeman

Motion and second to adopt as read. Discussed by Rev. E. Venson Plemmons, Rev. John E. Price, Rev. Denver T. Brown and Rev. Garfield Lindsey. Motion carried.

2:45 P. M. Report on Education called and read.

REPORT ON EDUCATION

We, your committee on Education, endorse the 1943 report on page 12 of that minute; "And a man of understanding is of excellent spirit" (Prov. 17:27). We feel that the only way this can be done is by the right kind of education. We believe in truly regenerated and brought into submission to Christ. Job 28:23, "And to man he said, Behold the fear of the Lord, that is wisdom; and to depart from evil is understanding." On this basis the Baptists have established high schools, colleges and seminaries with Christ as its center. If the Christian is the salt of the earth and the light of the world because of these schools, the salt is more powerful and the light has had its bushel removed and has been placed on the higher candlestick.

COMMITTEE: W. G. Price, Rev. John E. Price, Mrs. G. A. Plemmons.

Motion and second the report be adopted. Discussed by Miss Pauline Snelson. Motion carried.

3:00 P. M. Song service by local choir.

Report on Ministers relief called and read.

REPORT ON MINISTER'S RELIEF

We have with us two old ministers in this Association, Rev. W. M. Griffin of Alexander, and Rev. B. B. Plemmons of Luck, that have done a great service for the people of the New Found Association, and have paved the road for our younger ministers. The Rev. W. N. Martin, another good old man, has moved away and lives at Candler. Have we and are we doing our part by these good men, and will we do our part by the ones that are growing older year by year? Let's remember these good old ministers and help more in the old age ministers relief.

COMMITTEE: E. L. Buckner and H. E. Plemmons

Moved and second the report be adopted. Discussed by Bro. Burnett C. Worley, G. W. Price and Mrs. G. A. Plemmons. Motion carried.

3:30 P. M. Report on Periodicals called and read.

REPORT ON PERIODICALS

Time saith the Lord, "Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein and ye shall find rest for your souls". (Jeremiah 6:16).

How can our people stand in the way unless they read the Bible—God's word? In a war-torn world as we have now and people are asked to cease travelling by train and buses so that the army can use the transportations, and must have something to occupy their minds, and they should have, first the Bible and all the periodicals necessary to help them understand the word of God. We recommend first the Bible, and the Biblical Recorder, owned by our State Baptist Board of North Carolina, the Charity and Children which is owned and published by the Baptist Orphanage of North Carolina, The Commission, published in Richmond, Va., to inform the Baptists of the work our missionaries are doing on foreign fields that they might get a vision of their duty to support this great work. The Home Mission tells what is done at home, and others that we can learn more about the Lord's work.

COMMITTEE: Miss Pauline Snelson, Rev. Garfield Lindsey and Dortha Justice

Motion and second the report be adopted. Well discussed by Miss Pauline Snelson. Motion carried.

4:00 P. M. Song service by local choir.

Report on Mission, Home, State and Foreign called and read.

HOME, STATE AND FOREIGN MISSION REPORT

"Lift up your eyes and look on the fields; for they are white already to harvest."—Jesus

Look on the extent of the fields. The same lips which called for witnessing in Jerusalem also declared that such witnessing must extend to the uttermost part of the earth and defined the one global field, "The field is the world."

Look on the one parent disease, the one putrid source, "SIN", from which all the fetid members of the foul family of ruin and death have sprung.

Behold the one answer, the one remedy, for all men everywhere. Christ is the answer. From the presence of God he came into this world, lived, suffered, died on the cross at Calvary, and is risen and at the right hand of the Father. He is the propitiation for our sins; and not for ours only, but for the whole world.

11:45 A. M. Report on Orphanage called and read.

ORPHANAGE REPORT

In 1944. the Lord willing, we should continue to support the Baptist Orphanage at Thomasville and the Kennedy Home. We are at war, which is to be deplored. and war is opposed to the philosophy of love that is central in the teachings of Jesus. We are at war for freedom and love for the poor orphanage which we are supporting at Thomasville now called Mills Home, and the Kennedy Home near Kinston. In the two homes in 1942. there were 687 and 35 in boarding homes. and 74 in their own homes. In 1943, the New Found helped $459.51. Let's keep up the good work.

Report on State of Churches called and read.

REPORT ON STATE OF CHURCHES

There are 2,644 Baptist churches in North Carolina, as reported 1943, with a membership of 551,348, a gain of 35 churches over 1942 and membership of 13,688. In the New Found there was no gain in churches in 1943, but did gain 95 members, making a total membership of 3,305. There were 141 baptisms reported in 1943, a gain of 34 over 1942. One church did not report to the Association out of 29 churches, but did report to the state board. All the churches in the New Found have their pastors and Sunday Schools. Sorry to say the churches and Sunday Schools are not doing the work they should do and the members are not attending their churches as they should.

COMMITTEE: E. M. Gibson, Mrs. H. A. Snelson and E. Venson Plemmons

Motion and second the report be adopted. No discussion. Motion carried

Report on state of ministers called and read.

REPORT ON STATE OF MINISTERS

There were thirty ministers in our Association as reported in 1942 and out of that number 12 were pastors. In 1943 there were 27 ministers reported and out of that number 15 were pastors. The 1944 report shows 26 ministers and out of that number 16 are pastors. Since last year our good old Brother W. Nate Martin has moved away and is not with us any more. One of our ministers that was a pastor last year has been excluded. The ministers are holding their Fifth Sunday meetings and are all well attended. Sorry to say that some of our ministers are not so enthusiastic about attending these meetings, while some never have attended. In the state we have 48 ministers serving as Chaplains in the Navy and Army. We had reported 1,366 pastors and 726 that do pastoral work, a total of 2,140 Baptist ministers.

We, your committee, believe as a whole, we have a body of ministers in this Association that are called of God and can work together to the upbuilding of God's cause and Kingdom. We feel the need of the cooperation of the church and do earnestly desire its cooperation and prayer

Sunday School report called and read.

SUNDAY SCHOOL REPORT

We, the committee, find that there are 29 churches in the New Found Association and all have Sunday Schools now, but one failed to report last year. The Annual Sunday School Convention is held yearly and well represented. Last year three did not report to the Annual Convention. In 1942 the enrollment was 2,064 and average attendance of 1,426. In 1943 enrollment was 1,920 with 1,229 average attendance. This year, 1944, reported an enrollment of 1,642 and an average attendance of 1192.

Special music by Mr. Gordan Woody (the blind man) and Bro. Webb.

2:15 P. M. Temperance report called and read.

TEMPERANCE REPORT

Consistently, your committee thinks, the church must take its stand for sobriety and temperance. Intemperate in anything that is objectionable; but perhaps in nothing is it seen at its worst more than in the drinking of alcoholic beverages. Alcoholic beverage is detrimental to the physical being, the heart, and so paralyzing to the mental brain that the result is immorality of the lowest grade.

COMMITTEE: C. W. Balding, L. C. Justice and H. E. Plemmons

Motion and second the report be adopted. Well discussed by Miss Jewel Jarrett. Motion carried.

2:50 P. M. Report on resolutions called and read.

RESOLUTION REPORT

We wish to express our sincere gratitude on behalf of the New Found Association.

To the pastor, Rev. Eugene Moore, and his co-workers, and good brethren and neighbors of Lusk Chapel, with thankfulness. We record our sense of the privilege that has been ours as a convention, the 89th Annual Session of meeting in this hospitable community and to these good women-folks for having so well prepared the good eats to sustain life and strength while in their midst.

We live in the midst of interlocking issues, almost all of which today are bound up with questions that arise out of the present global strife. That we are at war is to be deplored, whatever may be the argument to justify the righteous nature of the struggle, for war is opposed to the philosophy of love that is central in the teaching of Jesus.

First, be it resolved by all Christians that we prove our Christianity by our works and our faith in Christ.

Second, that we appreciate the fact that our good ministers hold their good Fifth Sunday Meeting and we think it has been a wonderfully good help to the ministers.

Third, we appreciate the interest shown in the Annual Sunday School Convention by those interested in the good work and trust it will grow better year by year.

We especially wish to express our loss in the passing on April 8, 1944, of Bro. George W. Wild and we wish to pay to him the following tribute. For many years he was an outstanding leader in several phases of our church life, having served on the board of Deacons, as Superintendent of our Sunday School, as leader in the absence of the pastor. About 10 years ago when his health began to fail, we elected him honorary Superintendent for life. We feel that in his passing he gained everything and we sustained a great loss.

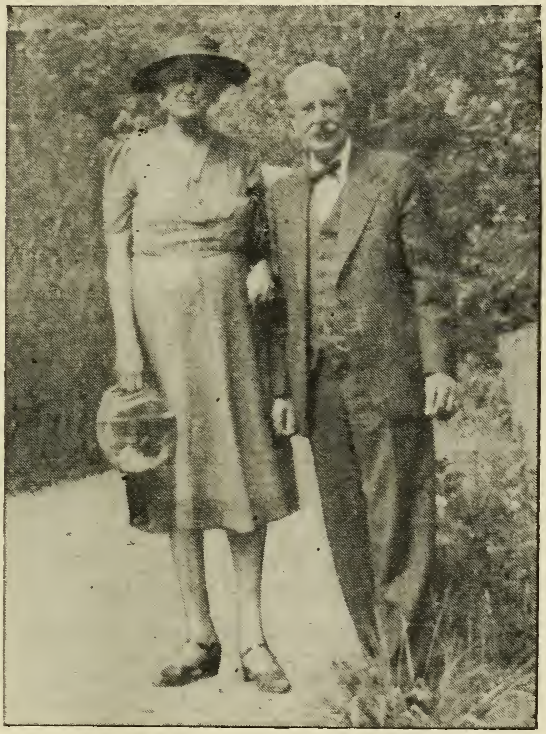
IN MEMORIAM

RESOLUTION OF RESPECT FOR OUR BELOVED MODERATOR



BROTHER IRA PLEMMONS

BORN JULY 27, 1874, AND DIED DECEMBER 16, 1944

The New Found Baptist Association feels a deep sense of loss in the passing of our Moderator, Bro. Ira Plemmons.

Brother Ira Plemmons was elected Moderator of the New Found Baptist Association at Union Baptist Church August, 1937. Re-elected at French Broad Baptist Church in 1938, Lower Big Pine in 1939, Caney Fork in 1940, Turkey Creek in 1941, Piney Grove in 1942, Ebenezer in 1943, and Lusk Chapel 1944, and was serving his eighth year when he departed this life December 16th, 1944.

We believe we have lost a vital leader, and we shall greatly miss him.

We humbly submit to the will of God, being comforted by the assurance of His wisdom and grace.

We purpose to record these resolutions in the permanent record of this Association, to send copies to the family of the deceased and ask a rising vote with bowed heads on these resolutions.

THE NEW FOUND ASSOCIATION

IN MEMORY OF IRA PLEMMONS

To us, his fellow members of Hot Springs Missionary Baptist Church, the removal by death of Brother Ira Plemmons from our church and community has been an irreplaceable loss. We knew him as the humble, Christian gentleman he was. He loved his friends and was ever ready to grant them any accommodation he could. His life was an open book worthy to be read and practiced. His character was of the very highest order, his faithfulness to his church was the best. He lived a fine exemplary life.

Words will not permit us to express our sorrow on the loss of this fine Christian gentleman.

We extend to his friends our sincere sympathy which cannot compensate them for their loss, but perhaps our sympathy in some way make their lives a little easier. We can only point his loved ones to the God he served and in that day of God's, they may meet Ira in the heavens and be with him throughout the eternal ages.

May God bless his wife and family.

BY HOT SPRINGS MISSIONARY BAPTIST CHURCH
REV. ROBERT B. VAUGHN, Pastor
MRS. C. H. HAZELWOOD, Clerk

W. M. U. OF HOT SPRINGS, N. C.

IN MEMORY OF MR. IRA PLEMMONS

He is gone to meet the angels and his Savior over there where all souls are bright and happy in those mansions bright and fair. True, they tell us wreaths of glory ever more will deck his brow, but this soothes the anguish only sweeping over our heart strings now.

He has gone beyond the burden of this vale of grief and pain. But we see through tears of sorrow that our loss is heaven's gain. We shall meet but we shall miss him, ever shall his memory dwell. Thoughts of him shall ever linger in the W. M. U. he loved so well. No words of consolation can it's aching pulse still.

Sleep today, O' early fallen, in thy green and narrow bed,
Dangled from the pine and cypress, mingled with the tears we shed;
But some happy day we'll meet him in that better world above,
Where all joy is never ending and all life full of love.

Written by Mrs. Ollie Henderson and accepted by the W. M. U. of Hot Springs

IN MEMORY OF WILLIAM HARRISON ROBERTS

DIED MARCH 24, 1944

This page dedicated to the memory of William Harrison Roberts by the Lower Big Pine Missionary Baptist Church, Worley, N. C.

Brother Harrison Roberts was a loyal and faithful member of the church for about 60 years and served as a church deacon about 45 years. He had filled numerous church offices and mostly built the church house, and did the work free. He stood by the church and Sunday School as long as he lived, and loved all of God's work. He is greatly missed by the church and all his loved ones, but we feel that our loss is heaven's gain.

(Death of Bro. Roberts was reported in 1944 Association Minutes—Clerk)

IN MEMORY OF THE LATE MR. M. M. FARMER

WHO DIED APRIL 4, 1945

1866-1945

This page is dedicated to the memory of a loving father, the late Marsh M. Farmer, who was a member of the North Fork Missionary Baptist Church, Big Pine, N. C., for 36 years.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Baptist churches, Antioch, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring

Creek, French Broad, Hopewell, Hot Springs, Inanda Memorial, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, Mount Zion, New Hope, North Fork, Old Bull Creek, Payne's Chapel, Piney Grove, Pinnacle View, Redmon, Turkey Creek, Union and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer. These shall be ex-officio members of the Executive Committee.

Section 6—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any leglistative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In cast of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer, and an Assistant Clerk shall be chosen annually by ballot, or, if unanimously, by acclamation on the second day of the annual session of the body, which shall be the last order of business.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to said office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present, but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator and if recognized shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members, and vote taken separately.

10.—No member shall absent himself from any meeting of the Association without leave of the Moderator.

11.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

12.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

13.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

14.—The minutes shall be leisurely read, subject to correction, at the commencement of each morning session, and as the last act of the Association before final adjournment.

15.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

16.—The churches and Sunday schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

17.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday school statistics shall be published in a separate table.

18.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session August, 1942, the 87th session, Sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945).

We therefore highly recommend this church be admitted to this body of believers, the New Found Missionary Baptist Association, for the purpose of promoting the glory of God on earth.

COMMITTEE: C. T. Waldrup, Rev. C. A. Worley, Mrs. H. A. Snelson

The Associational Missionary's report read.

ASSOCIATIONAL MISSIONARY REPORT, 1944-1945

The annual session of the New Found Missionary Baptist Association at Lusk Chapel, 1944, gave the Moderator the authority to appoint a missionary for the association. The Moderator, Bro. Ira Plemmons, appointed me to fill his office.

Beginning my work in October, 1944, I have held nine evangelistic revivals, given eight stewardship studies, attended one pastors' revival, have pastored two churches giving them quarter time.

I have found the churches that I visited more willing to cooperate in all the missionary cause than heretofore.

I had the misfortune to have to go to the hospital for an operation last December and was unable to do all the work that I should have done.

Your Associational Missionary,
REV. ROBERT B. VAUGHN

Motion and second to adopt the report. Motion carried.

11:25 A. M. Benevolence, Hospital report called and read.

BENEVOLENCE, HOSPITAL REPORT

We, your committee, are glad to report to this Association that we now have at Winston-Salem an A-1 Baptist hospital and that it is recognized as such by all the standardizing and rating agencies of this country. We are glad to say that this hospital, is able to carry out the two great services of Christ, teaching and healing. We are sorry to say that for lack of room, it had to turn down a number of patients last year. So, the plan is to add on more to the amount of 140 beds.

COMMITTEE, Mrs. Luther Howell, W. J. Edwards, Mrs. Bessie Edwards

Motion and second the report be adopted. Discussed by Mrs. L. E. Jaeckels, Miss Pauline Snelson, Rev. Erskine V. Plemmons. The report left open for a report on the hospital by the hospital chaplain.

11:35 A. M. Report on Cooperative Program called and read.

COOPERATIVE PROGRAM REPORT

We need to be reminded of the Cooperative Program of how each church member can help every cause of our denominational institution with our dimes and dollars that otherwise we would not know how to do it. Send them to the Cooperative Program and there they are divided for each cause of our work, the State getting 60 percent and the other 40 percent going to southwide work.

COMMITTEE, Miss Pauline Snelson, J. R. Merrell, W. R. Edwards

Motion and second to adopt the report. Discussed by Miss Pauline Snelson and Rev. J. C. Pipes.

12:10 P. M. Adjourned for dinner. Dismissed by Rev. N. H. Griffin. An excellent dinner on the grounds was enjoyed.

THURSDAY AFTERNOON SERVICE

1:30 P. M. Song service by congregation, "What A Friend We Have In Jesus." Prayer by Dr. Hoyt Blackwell.

1:40 P. M. Report on Education called and read.

EDUCATION REPORT

We, your committee on Education, believe in a trained mind brought into submission to Christ. James 1:19 "Wherefore, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath." We feel that the only way this can be done is by the right kind of education. Pope said "A little learning is a dangerous thing". We have several Baptist Institutions that are turning out thousands of trained minds, cultured and efficient men and women.

We ask that our churches give their moral and financial support to the Baptist schools and training. Think of the importance of friendship in the education of men. It will make a man honest; it will make him a hero; it will make him a Saint.

COMMITTEE, Miss Caroline Waldrup, Miss Evelyn Green, Miss Inis Roberts

Motion and second the report be adopted. Discussed by Dr. Seterfield of Meredith College and Dr. Hoyt Blackwell of Mars Hill College.

Welcome to visitors. Found under heading "Visitors".

MEMORIAL REPORT

This committee on Memorials finds that there have been several homegoers from the different churches since last year from our midst. In submission to the Will of God, we bow our heads, knowing that "He doeth all things well". The loss of our dear members is Heaven's gain and we can soon be united around that great throne and forevermore.

The loved ones have our prayers and sympathy.

COMMITTEE, Rev. C. A. Worley, Rev Henry Rice, Rev. J. D. Hudgins

Motion and second the report be adopted. Discussed by Rev. Canada A. Worley. Motion carried.

2:40 P. M. Memorial in regard to Bro. Ira Plemmons was read. Motion and second the report be adopted. Motion carried unanimously. The committee on this report was Rev. Robert B. Vaughn, Rev. Canada A. Worley and Rev. Henry Rice. The report will be found under Bro. Plemmons' picture.

2:50 P. M. Discussion on our hospital by Rev. C. E. Parker.

3:05 P. M. Report on Missions: Home, State and Foreign called and read.

MISSIONS: HOME, STATE AND FOREIGN

Home Mission was established in 1845, one hundred years ago. This organization is functioning well. The object was and is to baptize disciples to bear upon the lost souls that there is a God to serve and to help the underprivileged to realize a new life in Christ Jesus.

State missions—Each of the eighteen states and the District of Columbia in the territory of the Southern Baptist Association have a well organized and working State Mission Board through which Christ's threefold ministry of preaching, teaching and healing is carried out.

The Foreign Mission Board was organized in 1845, one hundred years ago, and has had missionaries over most parts of the entire world. As our Lord Jesus stood on Mount of Olives, He gave His departing word to the disciples and to you and to me when He said, "Go ye into all the world and preach the gospel to every creature." (Mark 16:15)

COMMITTEE, Mrs. G. A. Plemmons, Mrs. H. A. Snelson, Miss Carlene Waldrup

Motion and second the report be adopted. Discussed by Mrs. L. E. Jaeckels, Rev. Robert B. Vaughn. Motion carried.

Report on Temperance called and read.

TEMPERANCE REPORT

One of the greatest problems that confronts America today is intemperance. Sugar is limited for home use. We understand the brewers get about all the sugar they want.

Statistics show that around four billion dollars are squandered annually as a result of liquor traffic. The legalized liquor traffic has a stronger hold today in our country than at any time in its history. The situation has become more and more serious and demands immediate action. Intemperate in anything is objectionable; but perhaps in nothing is it at its worst than in the drinking alcoholic beverages.

COMMITTEE, Rev. Henry Rice, Rev. Canada A. Worley, Rev. James D. Hudgins

Motion and second the report be adopted. Discussed by Rev. R. H. Houss and Rev. Denver T. Brown. Motion carried.

4:30 P M. Adjourned till 9:30 a. m. Friday. Dismissed by Rev. H. H. Mann.

FRIDAY, AUGUST 17, 1945

10:00 A. M. Song service by congregation. Prayer by Rev. Vaughn C. Fisher.

Report on Ministers' Relief called and read.

MINISTERS' RELIEF REPORT

God desires that his people enjoy well-being till the very last day of life. In Isaiah 46:4 "And even to your old age I am He; and even to hoary hairs will I carry you: I have made and I will bear; even I will carry, and I will deliver you." God inspired the Philippian church to relieve the needs of Paul, who wrote, "I rejoiced greatly that now at the last your care of me hath flourished again; wherein, ye were also careful, but ye lacked opportunity."

Baptists have a Relief and Annuity Board that is doing a wonderfully good work in caring for our aged ministers. Are we laymembers doing our part by this board?

COMMITTEE, Rev. H. H. Mann, Rev. J. Mitchel Embler, Rev. Robert B. Vaughn

Motion and second the report be adopted. Discussed by Rev. Jess W. Corn, Rev. Robert B. Vaughn, Rev. N. H. Griffin, Rev. Vaughn C. Fisher and Rev. Denver T. Brown. Motion carried.

Report on Orphanage called and read.

ORPHANAGE REPORT

The orphanage is divided into two units—the Mills Home at Thomasville, and the Kennedy Home at Kinston. Facts and figures cannot compute the immeasurable good they have done. Many homeless young lives have been developed and trained into stalwart Christian men and women that were destined to ruin.

Last year only sixteen churches out of thirty in the New Found helped the orphanage to the amount of $488.43 while fourteen churches did not even give a cup of water. We think our Associational Missionary, if possible, should do a lot of work with these churches that do no mission work at all. They are good people and only need a teacher. We believe the biggest fault lay with the pastors of those churches.

COMMITTEE, G. A. Plemmons, J. Henry Roberts, Mrs. W. M. Rice

Motion and second the report be adopted. Discussed by Rev. D. T Brown, Rev. Robert B. Vaughn and Bro. J. A. McMillan. Motion carried.

Welcome to visitors.

Report on Periodicals called and read.

PERIODICAL REPORT

II TIMOTHY 2:15

Perhaps not one of the arts of our modern civilization has been so thoruoghly worked and constantly improved as that of printing. Millions of printing presses are kept grinding, crunching and clicking day and night, turning out billions of printed pages of books ,magazines, pamphlets and newspapers. Thousands of acres of timber are required annually to furnish pulp from which the blank paper is made necessary for the printer and his art.

These printed pages are for all classes of people. They are either for man's good or for his destruction; they are for God's glory or for Satan's delight; they instruct and elevate or they teach error and debase the reader; as mental food they nourish and build up into strong men and women or they stunt our growth and make us dwarfs or forces of evil.

First, we recommend that book of all books, the Bible, to be honored and read in our homes with regularity and solemnity, by our brethren around the fireside where the little ones will grow up to regard it as God's Holy Word. Second, let us all teach the children to love the Sunday school leaflets, quarterlies and story papers. The Baptists have a number of papers that are good food to build all of us for the better. Namely, the Biblical Recorder, The Commission, Home Missions and Charity and Children.

Committee, Miss Pauline Snelson, Miss Marjorie Green, Mrs. James McElreath

Motion and second the report be adopted. Discussed by Miss Pauline Snelson, Dr. L. L. Carpenter, editor Biblical Recorder, J. A. McMillan, editor of Charity and Children. Motion carried to adopt.

Report on State of Churches called and read.

STATE OF CHURCHES REPORT

There is just one church and that church is in almost every community in America and a number of other places. It must be evangelistic. An evangelical church might be liken to a reservoir of pure water without a pipe carrying it anywhere. An evangelistic church, following the figure of a reservoir of pure water, has a pipe running to every heart in the community and every nation in the world. What our church needs is not evangelism to fight for, but as a force to fight with.

We have 29 churches in the New Found Association and another one to come in this year. So far as your committee knows, each church has its pastor and holds its Sunday schools every Sunday. We had 3,428 members reported last year. Last year 157 baptisms were reported.

Committee, Rev. Robert B. Vaughn, Rev. Henry Rice, Rev. James D. Hudgins

Motion and second to adopt the report. Discussed by Rev. Robert B. Vaughn. Motion carried.

Report on State of Ministers called and read.

STATE OF MINISTERS REPORT

Last year we had 26 ministers reported and one licentiate. Out of the 26 ordained ministers 16 were reported as pastors. This year we have 25 ministers reported and 1 licentiate. Out of this number 14 are pastors.

We note that some of our ministers are accepting too many churches to pastor. We want to urge our ministers that we believe in their attempting to do this, they therefore are unable to properly devote adequate and reasonable time to the churches and are failing to develop the church as it should be done.

We are glad to report that the ministers hold their Fifth Sunday Meetings and have missed only one fifth Sunday since it was organized November 29, 1936.

Committee, Rev. Robert B. Vaughn, Rev. J. Mitchel Embler, Rev. H. H. Mann

Motion and second to adopt the report. Discussed by Rev. Robert B. Vaughn, Rev. Henry Rice, Rev. N. H. Griffin and Rev. Vaughn C. Fisher. Motion carried.

11:35 A. M. Roll call of churches called second time.

Report on Sunday schools called and read.

SUNDAY SCHOOL REPORT

Believing that the Sunday School is the church engaged in studying and teaching the scripture. and that this work is clearly authorized in the Bible, we are glad to report that all the churches in the New Found Association have Sunday Schools and we would heartly recommend:

1. That wherever possible each school be kept open every Sunday.
2. That our churches maintain Baptist Sunday Schools and provide themselves with Baptist literature as published by the Southern Baptist Board at Nashville, Tenn.
3. That all our church members—especially the heads of families—attend the Sunday Schools and exert their utmost influence in every way possible for the promotion of this important and imperative teaching work of the churches.

We, are glad to report that the Annual Sunday School Convention is held every year about the first Saturday and Sunday in August, but we are sorry that our ministers are not supporting this Convention as they should.

COMMITTEE, Mrs. W. M. Rice, G. A. Plemmons

Motion and second the report be adopted. Discussed by Miss Pauline Snelson, Mrs. G. A. Plemmons, Rev. J. Grady Freeman, Rev. Robert B. Vaughn and Bro. G. A. Plemmons. Motion carried.

THE ANNUAL SUNDAY SCHOOL CONVENTION RESOLUTION OF RESPECT FOR OUR SUPERINTENDENT BRO. IRA PLEMMONS

The annual Sunday School Convention of the New Found Association feels a great loss in the passing of Bro. Ira Plemmons, December 16, 1944.

The Association at North Fork Baptist church in 1935 appointed Bro. H. W. Eblen as Associational Sunday School Superintendent and instructed him to call a meeting at Liberty the fifth Sunday in September, 1935, at 2:00 p. m. Bro. Ira Plemmons was elected Superintendent at this meeting. Bro. Plemmons called a meeting at Caney Fork the third Sunday in April, 1935, and at this meeting called the annual session to be held at Lower Big Pine Sunday, July 12, 1936. At this meeting he was re-elected superintendent, as he was later at Piney Grove, July 11, 1937, Jones Valley, August 7, 1938, Caney Fork, August 6, 1939, Union, August 4, 1940, Flats Spring Creek, August 3, 1941, Redmon, August 2, 1942, Antioch, August 1, 1943, North Fork August 6, 1944, and he was serving when he passed from this life.

We miss Brother Plemmons but we feel it is his gain.

Since every man who lives is born to die,
And none can boast sincere felicity,
With equal mind what happens let us bear,
Nor joy nor grieve too much for things beyond our care.
Like pilgrims to the appointed place we tend;
The world's an inn, and death the journey's end. (Dryden)

NEW FOUND MISSIONARY BAPTIST MINISTERS

Fifth Sunday Meetings

Glad to say the New Found Baptist Ministers are doing fine in keeping up the good work and the Fifth Sunday Meetings are going good since organized November 29, 1936.

NO. 1: The first Sunday meeting after the 1944 Association was held Sunday, October 29, 1944, with Antioch Baptist church. Rev. Canada A. Worley preached the introductory sermon, and read and spoke from the first 18 verses of the 6th Chapter of Ephesians, and he delivered a good sermon.

The ministers present were Revs. Curtis H. Bailey, Kimsey R. Ball, Everett Clark, Mitchell J. Embler, Eugene Moore, Everett F. Sprinkle, Robert B. Vaughn and Canada A. Worley.

Visitors were Misses Faye Ferguson of Marshall Baptist church, Mildred Floyd of Red Hill Methodist church, Ceynor, S. C. and Rev. Hugh Rhymer of the Buncombe Association.

Subjects for discussion were "Finding The Way" and "The Church In Time Of War". Both subjects were well discussed.

A wonderful dinner was served on the grounds. Offering for the expense of the meeting was $5.50.

NO. 2: The second meeting was held with Jones Valley Baptist church on Sunday, December 31, 1944. Rev. Denver T. Brown was chosen chairman protem. Introductory sermon was delivered by Rev. Henry Rice, reading for the lesson the 15th Chapter of St. Luke, beginning at the 14th verse. Topic of the sermon was "All Power Is God's", and he delivered an excellent sermon.

Ministers present were Revs. Denver T. Brown, Mitchel J. Embler, James D. Hudgins, Henry Rice, D. D. Russell and Everett F. Sprinkle. Due to being late the morning subject was omitted. In dismissing for dinner the congregation stood with bowed heads and silent prayer followed with prayer by Rev. Everett F. Sprinkle in memory of our beloved, departed Moderator, Ira Plemmons.

An excellent dinner was served on the ground. Many thanks to those good folks for having cared so well for the meeting. The congregation was small due to a misunderstanding as to where the meeting would be held and when decided was so late these good folks had a short notice. Offering for the expense of the meeting, $6.00.

The afternoon subject, "The Great Redeemer and the Redeemed", was ably discussed.

NO. 3: The third meeting was held with Lusk Chapel Baptist church on the head of Spring Creek, Sunday, April 29, 1945. Rev. Everett F. Sprinkle preached the introductory sermon, using for his topic, "The Church and What

It Is", and he explained the subject and gave us a good talk.

Ministers present were Revs. Kimsey R. Ball, E. M. Gibson, Garfield Lindsey, H. H. Mann, E. Venson Plemmons, B. B. Plemmons, D. D. Russell, Everett F. Sprinkle, Robert B. Vaughn and Canada A. Worley. Ten ministers were present and we got a picture of them.

Visitors were Mr. and Mrs. Ollie Henderson of Tennessee.

The subjects for discussion were "Our Enemies and Our Guard" and "The Messiah, a Guest of Publican" and were ably discussed.

An excellent dinner was served on the ground, regardless of it being a rainy day. Many thanks to those good folks.

In the afternoon we had a song service by local choir with Bro. Gordan Woody (the blind man) at the organ. Bro. Woody and Bro. Ballard Webb sang special songs with Bro. Woody at the organ. This was a real good meeting. They have all been good. Offering for the expense of the meeting, $9.85. At the close Rev. Robert B. Vaughn gave us a good talk on Missions.

No. 4: The fourth was held with Pinnacle View Baptist church, Rt. 1, Leicester, N. C. This is a new church and a delegation was present at Lusk Chapel and reported the church was coming into the New Found Association and requested the Fifth Sunday meeting, July 29, 1945, be held with that church. The request was granted.

We met on Sunday, July 29, 1945 at Pinnacle View and it was a rainy day, but a good congregation attended, regardless of the rain. In the absence of the appointees, Revs. Garfield Lindsey and E. Venson Plemmons, the chairman appointed Rev. Everett F. Sprinkle to preach the introductory sermon.

Ministers present were Revs. Kimsey R. Ball, Fate M. McElreath, Everett F. Sprinkle, H. H. Mann, Robert B. Vaughn and Canada A. Worley.

Visitors recognized were Rev. and Mrs. Hugh Rhymer of the Buncombe Association.

The morning subject for discussion "What Will You Do With Jesus?" and the afternoon subject, "The Passover".

RESOLUTION IN MEMORY OF OUR ASSOCIATION MODERATOR BRO. IRA PLEMMONS WHO DIED DEC. 16, 1944

We, the Ministers of the New Found Baptist Association at our fifth Sunday meeting at Pinnacle View Baptist church, Sunday, July 29, 1945, in memory of our Association Moderator, do resolve that we miss Bro. Ira Plemmons very much. We were always glad to have him attend our fifth Sunday meetings and have him give us good advice. He seldom ever missed a meeting.

We feel that we have lost a friend and to his loved ones as well as to his friends his life was a benediction. Above all was his profound faith in the goodness and constant leadership of God. Today he sees him face to face. and has heard His "well done."

" 'Tis being and doing and having that make
All the pleasures and pains of which man-kind partakes;
To be what God pleases, to do man's best
And to have a good heart, is the way to be blest." (Byron)

Moved and second to approve the resolutions. Motion carried unanimously. Dinner on the grounds and plenty of it. Those good folks made us anxious to go back again. Many thanks to those folks.

All four of the churches where the Fifth Sunday meetings were held since last Association had dinner on the grounds. Many thanks to the good folks.

The officers elected for the next year were: Rev. James D. Hudgins, Rt. 2, Leicester, chairman; Rev. Canada A. Worley, Barnard, vice-chairman; J. Henry Roberts,, Rt. 1, Marshall, secretary and treasurer; Rev. Denver T. Brown, Rt. 1, Marshall, assistant secretary.

Offering for the expense of the meeting, $9.93.

Ministers not attending the meetings during the year are Revs. L. W.

Bug, Jess W. Corn, J. Grady Freeman, Charlie Littrell, S. L. McHone, C. L. Miller, Fred Pegg, John E. Price, Carrus Rash, George Redmon and Guy West. Those not attending at any time are Revs. George Redmon, Carrus Rash, Jess W. Corn. Revs. B. B. Plemmons and W. M. Griffin are counted present on account of their age regardless of their presence.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Baptist churches, Antioch, Ball City, Bear Creek,

Omak, Washington State; Rev. Glenn Wheeler of the Christian church, Bluff, N. C.

Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, Hopewell, Hot Springs, Inanda. Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, Mount Zion, New Hope, North Fork, Old Bull Creek, Payne's Chapel, Piney Grove, Pinnacle View, Redmon, Turkey Creek, Union, Woodfin and Zion Baptist churches of the New Found Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.— This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the Messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer, and an Assistant Clerk shall be chosen annually by ballot, or, if unanimously, by acclamation on the second day of the annual session of the body, which shall be the last order of business.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to said office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present, but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator and if recognized shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members, and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday school statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session August, 1942, the 87th session, Sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945). At the Ninety-First Session at Zion Baptist church, August, 1946, the words added in Section 5 "and Assistant Clerk"; in Section 14, the words added in "or report sent in". French Broad was dropped and Ball City and Woodfin churches added in and reads as it now reads.
NOTICE OF CHANGE: Article 2 of By-Laws—A Moderator, Vice-Moderator, Clerk ahd Treasurer, and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

BENEVOLENCE, HOSPITAL REPORT

The Baptist State Convention, November 17, 1920 authorized the Baptist Hospital at Winston-Salem, which was chartered December 27, 1922, and began operation May 28, 1923. From 1944 to 1945 the hospital has taken care of not less than 8,000 patients inside hospital for a total of 88,000 patient days. Not counting the professional fees, the actual cost for that year of charity work exceeded $162,000. An additional 20,000 patients are examined by the School of Medicine of Wake Forest College.

COMMITTEE: C. E. Duckett, E. M. Gibson, Miss Pauline Snelson

Moved and seconded the report be adopted. Discussed by Rev. W. K. McKee, religious leader of the Baptist hospital at Wihston-Salem. Motion carried.

Report on Cooperative Program called and read.

COOPERATIVE PROGRAM REPORT

From records it seems that the Baptist folks are more and more adopting the cooperative program, for it seems to be the best way by which folks can give to all the Baptist causes, than to designate the objects.

The New Found has improved in mission work for the last few years, and we are glad to say so. Let's all do more mission work through the Cooperative program, by sending the Bible to foreign lands instead of our boys with guns and tahks and by doing charity work at home.

COMMITTEE: Roy C. Meadow, C. B. Justice, S. R. Coward

Moved and seconded the report be adopted as read. Discussed by Mr. M. A. Huggins, Treasurer of the State Convention, Raleigh. Motion carried to adopt the report.

Dismissed for dinner by Bro. W. C. Coward.

THURSDAY AFTERNOON SESSION

2:30 P. M. Song service by congregation. Prayer by Rev. J. J. Slagle, Welcome to visitors.

REPORT ON ADMISSION OF NEW CHURCHES

We, your committee on admission of new churches, find that Ball City Missionary Baptist church, Luck, N. C. and Woodfin Baptist church, Route 1, Asheville, N. C. have applied for admission in the New Found Missionary Baptist Association and are Missionary Baptists and cooperating on the Holy Spirit for their guidance.

We highly recommend Ball City Baptist church be admitted to this body of believers in full fellowship. We recommend Woodfin Baptist church to be a body of Baptist people, but have been denied the privilege of unitihg with any body of Baptist churches. Therefore, we recommend they be taken under the watchcare of the association by their request for twelve months, at the end of which time, if they prove themselves true, to be received in full fellowship. COMMITTEE: Rev. Denver T. Brown,Rev. Fate M. McElreath, Rev. E. M. Gibson

Moved and seconded the report be adopted as read. The clerk reading Section 6 of the Constitution and portion Section 8, Woodfin was admitted in full fellowship. Ball City admitted without any discussion. Glad to have these two churches in our body.

Orphanage Report called and read.

ORPHANAGE REPORT

"He that hath pity upon the poor, lendeth unto the Lord, and that which he hath given will he pay him again." Proverbs 19:17. Again, "And whosoever shall give to drink unto one of these little ones a cup of water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward." Matthew 10:42. North Carolina Baptists waited a long time before they understood the care of the orphanage child. Some of our churches in the New Found do not seem to understand that God has made special promises for those who aid in this worthy cause.

COMMITTEE: Mrs. Bain Scott, Maurice Davis, Rev. J. J. Slagle

Moved and seconded the report be adopted as read. Discussed by Rev. J. A. McMillan. Motion carried.

Report on investigation of French Broad church called and read.

REPORT ON INVESTIGATION OF FRENCH BROAD CHURCH

We, your committee on investigation of the trouble at our sister church, French Broad, find these parties cannot agree. Therefore we recommend the church be excluded from our body until this trouble can be settled. COMMITTEE: Rev. J. Grady Freeman, Rev. Canada A. Worley, Rev. J. Garfield Lihdsey, Rev. Fate M. McElreath, Bro. N. C. Waldroup, Bro. C. W. Henderson.

Motion and seconded French Broad church be excluded from our body till they settle their differences. After a few remarks by different ones the motion carried.

The Report on Education called and read.

EDUCATION REPORT

With a full realization of the responsibility upon our homes and churches, as well as looking about us every day and knowing the need of trained workers in the Kingdom Work, and living as we do in day when complete organization with competent leaders is the go in all lines, especially in the business world, and with the full belief that we need trained workers, filled with the spirit of God; and through a desire of knowledge and wisdom in all our churches, we, your committee, want to urge every messenger present to return to your home churches filled with a desire to get two or three out of your church to attend one of our denominational schools. There are several in North Carolina and are the highest type to be found. COMMITTEE: Miss Jewell Jarrett, Miss Marjorie Greene, Rev. Oscar S. Edmonds.

Motion and second the report be adopted. Discussed by Rev. M. H. Kendall. Motion carried.

4:00 P. M. Adjourned till 9:30 A. M. Friday. Dismissed by Rev. Jess W. Corn.

FRIDAY MORNING SESSION

9:30 A. M. Song service by congregation.
9:45 A. M. Devotion by Rev. Canada A. Worley.
9:55 A. M. Welcome to visitors.
Report on Ministers' Relief called and read.

MINISTERS' RELIEF REPORT

"For this God is our God forever and ever; He will be our guide even unto death", Psalm 48:14. In Isaiah 46:4 "And even to your old age I am He; and even to hoary hairs will I carry you; I have made and I will bear; even I will carry and I will deliver you." We, your committee, think it a wonderful blessing for our old age ministers that they have the Baptist Relief and Annuity Board that is doing a wonderful work for our old age ministers and ministers' widows. Are the churches doing their part as did the Philippian church did to relieve Paul, which caused Paul to rejoice greatly?

COMMITTEE: Rev. Jess Corn, Rev. V. B. Wise, Rev. Everett F. Sprinkle

Motion and second the report be adopted as read. Nn discussion, so the report adopted as read.

10:00 A. M. Report on Missions: Home, State and Foreign called and read.

MISSIONS: HOME, STATE AND FOREIGN

Home missions are a great opportunity to aid our fellowman, regardless of color, by seeing that he gets the proper training and learning of our Savior, Jesus Christ. The Baptist board is doing its work well. ARE WE CO-WORKERS?

State Missions are a great help to all parts of our state and this board is doing a great work and could do more if we will do our part. Let us do more than we have for this board.

Foreign Missions that go to the utmost parts of the world to inform those people that Christ died for them. It was Christ that said, "Go ye into all the world and preach the gospel to every creature." Mark 16:15. That command has never been changed and it won't be as long as time lasts.

COMMITTEE: MRS. L. E. Ponder, Rev. Oscar Edmonds, Mrs. Clifford Fowler

Motion and second the report be adopted as read. Discussed by Rev. Canada A. Worley. Motion carried.

Due to the fact that the Association has outgrown the Associational Chart till the Clerk informed the Association that he could not use the chart, the Moderator appointed Miss Jewell Jarrett and Miss Marjorie Green, reading clerks.

Report on Periodicals called and read.

PERIODICAL REPORT

For over a hundred years Southern Baptists have published denominational papers. Dictionary definition of religion is love and obedience toward God. Therefore, religious literature is that type of literature that makes a person live and obey God more fully. It makes us feel closer to God in spiritual understanding.

The great writers of our Southern Baptist Convention present us with God-filled messages, if we would really concentrate on them. We have Baptist Training Union quarterlies, books and periodicals published by our Sunday school board in Nashville, Tennessee. There are the missionary publications such as Royal Service, The Window of Y. W. A. for young women, World Comrade for Intermediates, Juniors, Primaries and Beginners, which are published at W. M. U. headquarters in Birmingham, Alabama. We have The Commission, published by the Foreign Mission Board in Richmond, Virginia. We have the Home Mission, published by Home Mission Board in Atlanta, Georgia. In the State of North Carolina we have the Biblical Recorder, published by the State Baptist Board in Raleigh. We have Charity and Children, published by our orphanage at Thomasville, and other good papers for spiritual food.

Our Baptist people need information about Baptist affairs and concerning every phase of our denominational work, and we get this information by reading our Baptist papers.

COMMITTEE: Miss Pauline Snelson, Miss Julia Merrill, Mrs. Calvin Duckett

Moved and seconded the report be adopted as read. This report well discussed by Miss Pauline Snelson. Motion carried.

State of Churches called and read:

STATE OF CHURCHES REPORT

We have 32 churches in the New Found Association. Bear Creek and Poplar Gap have failed to report and French Broad church dropped from the Association. In this reporting last year we had 3,462 church members reported and 123 baptisms.

We had 1,911 enrolled in Sunday school with an average attendance of 1,266. For the report for this year see statistical report in back of this book, Tables 1 and 2.

All churches reporting have pastors except Hopewell was open at the time reported.

COMMITTEE: C. E. Duckett, Willie Williams, W. C. Coward

Motion and second the report be adopted as read. Discussed by Rev. Canada A. Worley, Miss Pauline Snelson and Rev. E. B. Wise. Motion carried.

Report on State of Ministers called and read.

STATE OF MINISTERS REPORT

Last year there were twenty-five ministers and one licentiate reported and out of that number fourteen were pastors. There has been one minister excluded the last year. This year we have 25 ministers reported and out of that number 11 are pastors and 4 licentiates.

The ministers are holding their Fifth Sunday meetings and are trying to do their duty as far as observation tells us. We think we have as good ministers as could be found.

COMMITTEE: Rev. J. Grady Freeman, Rev. Denver T, Brown, Rev, J, Garfield Lindsey.

Moved and seconded the report be adopted as read. No discussion, the motion carried.

Report on Sunday schools called and read.

SUNDAY SCHOOL REPORT

The Sunday school is a congregation of people gathered together to learn of the Lord and to explain His word to the unlearned and ignorant people of the Lord's ways. The Sunday school is church at work and we believe it should be called "Church School".

So far as we know all churches in the New Found have their Sunday schools (Church Schools) but sorry to note from the reports sent to this Association that there is not half of the church members attend this school. We think it too bad and there should be some missionary work along this line and get the church to attending this school. No report from Poplar Gap, Bear Creek and French Broad. All others reported.

COMMITTEE: Orville Fish, Jewell Jarrett, Lois Smith

Motion and seconded, the report be adopted as read. Discussed by Miss Jewell Jarrett, Miss Pauline Snelson, B. C. Justice, Mrs. James McElreath and Mrs. C. H. Hazelwood. Motion carried.

The letters from the churches were read at this time by the reading Clerks, Miss Marjorie Green and Miss Jewell Jarrett.

12:00 Noon. Adjourn for dinner.

Dinner on the ground and enough to feed four Associations. Many thanks to those good folks.

FRIDAY AFTERNOON SESSION

1:30 P. M. Song service by congregation. Prayer by Bro. Howard Goforth.

Report on Temperance called and read.

TEMPERANCE REPORT

Temperance is one of our greatest problems that we hear so much about and perhaps do the least about. Does the church take its stand on sobriety and temperance? Yes, the church takes its stand on sobriety and temperance but some of our members take the opposite side when behind closed doors. We usually confine this subject to liquor drinking and it grows worse instead of better. Some of our members pledge to support men for lawmakers and men to enforce the law, who are in favor of prohibition, and then go vote for men when they KNOW they are not prohibition men because he is on their political ticket, and vote against a man who favors dry law, but he is on the opposite ticket. Where can we get with such a hypocritical way as that?

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Edgewood, Flats Spring Creek, French Broad, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, Mount Zion, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Piney Grove, Pinnacle View, Poplar Gap, Redmon, Turkey Creek, Union, Woodfin, Zion Missionary Baptist churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members and one for every addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from others Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all busness shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been publshed in the minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association A. D. 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to said office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator and if recognized shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members, and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh,, N. C.

14.—The churches and Sunday schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday school statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session August 1942, the 87th session, Sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945). At the Ninety-First Session at Zion Baptist church, Auggust, 1946, the words added in Section 5 'and Assistant Clerk"; in Section 14, the words added in "or report sent in". ASSOCIATIONAL MISSIONARY REPORT 1946-1947

The annual session of the New Found Missionary Baptist Association at Zion Baptist church in 1946 elected me for field work, or Associational Missionary.

Beginning my work in November, 1946, I have held two evangelistic revivals. I have pastored one church, givng them three services a month.

I have given twelve Stewardship revivals. I have found all the churches with pastors—three of them half time pastors.

Received from Board for work in November and December $72.00, January $50.00, April $50.00, May $50.00—a total of $222.00. The churches paid me $110.00.

REV. CANADA A. WORLEY, Associational Missionary

Motion and second carried to accept the report.

At this time all committees were appointed. (See names under heading "Committees").

BENEVOLENCE, HOSPITAL REPORT

We are proud to report that our hospital at Winston-Salem is outstanding in education as it is in patient care.. There are approximately 200 students in the hospital's School of Nursing, School of Dietetics, School of X-ray Technicians, School for Laboratory Technicians and School for Anesthesia. All the courses offered by the hospital in these several schools are on a college level and the graduates are fully recognized by the respective national organizations.

COMMITTEE: L. A. Mason, James D. Hudgins, Mrs. Bane Scott

This report deferred until Friday.

Report on Cooperative Program called and read.

COOPERATIVE PROGRAM REPORT

We have a wonderful program "Cooperative" in which we all can help in the Lord's service with our pocketbook, in all departments of service for our Lord and Saviour, namely, teaching, preaching and healing. These causes are listed as follows: State, Home and Foreign Missions, Christian Education, Hospital, Orphanage, Ministerial Relief, etc. This plan is wonderful for us Missionary Baptists.

COMMITTEE: Lee Mason, B. C .Worley, C. A. Worley

Motion and seconded the report be adopted as read. Discussed by Rev. Earl Bradley, and well done. Motion carried.

Education report called and read.

EDUCATION REPORT

"The heart of the wise teacheth his mouth, and addeth learning to his lips". Prov. 16:23.

For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope'. Romans 15:4.

The Baptists have a number of colleges in N. C. and are training our young folks who attend these colleges, in "Christian Education". These colleges do inspire, develop, and motivate men and women for world citizenship. Patronize our Baptist schools.

COMMITTEE: C. T. Waldrup, Inis Roberts, Pauline Snelson

Motion and seconded the report be accepted. Discussed by M. H. Kendall and Sankey L. Blanton and well done.

Motion carried.

Report on Temperance called and read.

TEMPERANCE REPORT

We, your committee on Temperance, recommend an uncompromising condemnation of the liquor advertising in newspapers, periodicals and radio, which is now invading our homes with its clever, but untrue, claims as to the desirability of the use of strong drink. We also urge upon our pastors the importance of providing for our young people a program of temperance education showing the effect of alcohol upon the body, mind and soul; that in the pulpit and in study classes efforts be made to fortify our people against the drinking custom of our day and the personal and social immoralties that are inevitably associated with them; and that total abstinence pledges be renewed, especially among young Christians in the Sunday schools and other organizations in the churches.

COMMITTEE: H. G. Plemmons, Harold Baker, Roy C. Meadows

Motion and second the report be accepted. Discussed by R. M. Hauss. Motion carried to accept the report.

Memorial report called and read.

MEMORIAL REPORT

Several of our dear beloved and church workers have passed out since we last met in 1946. Having finished their earthly tasks, and responding to the call of our Heavenly Father to come up and be with Him, there to abide in their home not made with hands. Our loved ones have fallen asleep in Jesus.

May their gentle spirits hover about us, and as memory brings fond recollections of them, may we, with willing hands take up our tasks and press on toward the mark of the high calling in Christ Jesus, ever looking unto Him, the loving Great Shepherd of the Sheep.

Therefore, be it resolved, that we pause a moment and with bowed heads, pay tribute to these who have gone on from us.

COMMITTEE: O. M. Fish, D. T. Brown, C. W. Passmore

Motion and seconded the report be adopted. No discussion, the report was adopted.

Report on Ministers Relief called and read.

MINISTERS' RELIEF REPORT

We would like to repeat the 1945 report: God desires that his people enjoy well being till the very last day of life.

In Isaiah 46:4, it reads, "And even to your old age I am He; and even to hoary hairs will I carry you; I have made and I will carry, and I will deliver you. God inspired the Philippian church to relieve the needs of Paul, who wrote, "I rejoiced greatly that now at the last your care of me hath flourished again; wherein, ye were also careful, but ye lacked opportunity.

Baptists have a Relief and Annuity that is doing a wonderfully good work in caring for our aged ministers. Are we lay-members doing our part?"

COMMITTEE: Henry Rice, C. A. Worley, Chester Freeman

Motion and seconded the report be adopted. Discussed by Rev. Canada A. Worley. Motion carried.

Report on Missions: Home, State and Foreign, called and read.

MISSIONS: HOME, STATE AND FOREIGN

"Go ye—and make disciples of all nations". 'Here am I—send me, send me"

As a mission field, Italy is one of the most poorly served lands. In Indo-China there are two missionaries per million people; in China, thirteen per million; in India, fourteen per million; in Latin America, thirty per million; in Africa, fifty-six per million, not counting the native pastors, and in the U. S. A., 1,945 ministers per million— but in Italy, altogether 180 missionaries, native pastors, evangelists and teachers for 46,000,000. That is not four per million.

Ninety-nine per cent of her population are counted as Roman Catholics, almost completely ignorant of the word of God, totally strange to Christ, Saviour and Redeemer.

Our Home and State Missions must not be forgotten in this report. Our State Mission is spending around $1,000 in the New Found per year. The Home mission is doing her part in her work

COMMITTEE: C. E. Duckett, Mrs. H. A. Snelson, Mrs. L. E. Baker

Motion and seconded the report be adopted. It was well discussed by Miss Pauline Snelson.

Orphanage report called and read.

ORPHANAGE REPORT

Jesus said unto them "Suffer the little children to come unto me and forbid them not; for of such is the Kingdom of God. Verily I say unto you, whosoever shall not receive the Kingdom of God as a little child he shall not enter therein." Mark 10:15.

Over sixty years ago the Baptists of North Carolina established an institution at Thomasville for the care, support, protection and training of unfortunate and underprivileged children. This institution consists of Mills Home at Thomasville and Kennedy Home at Kinston.

Most of our churches of the New Found do have these little ones at heart and help the orphanage, but sorry to say that some churches (very few) report no help to the orphanage and not any mission in any way.

COMMITTEE: Roy C. Meadows, Kelly Wild, H. E. Plemmons

Motion and seconded the report be accepted. Discussed by W. C. Reed.

Periodical report called and read.

PERIODICAL REPORT

The day and time has come that we have no excuse for not being able to read and write. God's prophet Hosea 4:6 said, "My people are destroyed for the lack of knowledge: because thou hast rejected knowledge, I will also reject thee". 2nd Timothy 2:15 reads "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

The Baptist Board publishes the Biblical Recorder at Raleigh, The Commission at Richmond, Va., Home Mission at Atlanta, the Home Life, The Builder and other good books and magazines at Nashville by the Southern Baptist Board and others. So let us take more interest in keeping up with our Baptist Denomination.

COMMITTEE: Mrs. James McElreath, Mrs. Calvin Duckett, Miss Marjorie Green

Motion and seconded to accept the report. Discussed by Mrs. James McElreath, the representative, and well done.

At this time the Moderator called on the Clerk to read the church letters, not finishing did so after dinner.

Dismissed for dinner by Bro. W. C. Reed.

Dinner on the ground and in abundance. Plenty of it and many thanks to those good folks.

FRIDAY AFTERNOON SERVICE

1:30 P. M. Song service by local choir. Prayer by Brother Ragan Worley.

The Clerk finished reading the Church Letters.

Report on State of Churches called and read.

STATE OF CHURCHES REPORT

Glad to report that all the churches in the New Found are about the average of all rural churches. They have their pastors and preaching and Sunday Schools. Last year there were two new churches admitted while two did not report and one church temporarily dropped, giving us 3,283 members including 91 baptisms reported, making 29 churches reporting.

Last year, reports show five full time pastors, seven half-time pastors and seventeen with once a month preaching. We had twenty-two churches reporting contributions for missions in some ways and seven reported nothing for missions in any way. The twenty-two churches gave $1,450.80 for missions and 1945 reports show $1,849.07 for missions which was a drop in missions for 1946 of $398.27.

COMMITTEE: C. A. Worley, Pauline Snelson, Reagan Worley

Motion and seconded the report be accepted. Discussed by Rev. Canada A. Worley and well done.

Report on State of Ministers called and read.

STATE OF MINISTERS REPORT

There were twenty-three ministers reported in 1946 and four licentiates of which eleven ministers were pastors. There were about five ministers that were not reported, the church clerk having failed to report them.

The ministers are doing nicely and holding on to their get-together Fifth Sunday meetings which they have held since November 29th, 1936. We think their Fifth Sunday meetings have been a wonderful help to our ministers of the New Found.

COMMITTEE: H. A. Snelson, D. T. Brown, L. A. Mason

Motion and seconded the report be adopted. Discussed by Rev. Robert B. Vaughn and ably done.

Report on Sunday schools called and read.

SUNDAY SCHOOL REPORT

In the state of North Carolina we have 2,740 churches of which 2,705 have Sunday schools. There are 18 mission Sunday schools, making a total of 2,723 Sunday schools in the State with 437,655 enrolled. Our church membership in the state is 596,991 which is 159,336 more church members than there are Sunday school members. Out of 29 churches in the New Found reporting last year we had 1,973 enrolled in Sunday school with a church membership of 3,283. We had an average attendance in Sunday school of 1,255, or an average attendance of a little better than one-third of our church membership.

Could it be possible that we who are Christians have laid down on our job and letting the Lord's work go by when we have plenty of work to do? The Sunday schools are holding their annual Sunday school convention and well reported each year.

COMMITTEE: Mrs. H. A. Snelson, Mrs. L. E. Baker, Mrs. Harold Baker

She was much interested in her church work, Sunday School and singing, had been a teacher in Sunday School since about 1902, and as long as able to attend. She had a fall July 23, 1941, and had not walked any since that date. She seldom complained of anything hurting her, and died shouting at 7:45 a. m., Wednesday, December 3, 1947. She was 85 years and 3 days old.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Edgewood, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Piney Grove, Pinnacle View, Poplar Gap, Redmon, Turkey Creek, Union, Woodfin, Zion Missionary Baptist churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and call by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or these deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union, by a majority consent of the Messengers present: Provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclestiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association, A. D., 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual ssesion of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to said office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members, and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday school statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session, August, 1942, the 87th session, sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945). At the Ninety-First Session at Zion Baptist church, August, 1946, the words added in Section 5 "and Assistant Clerk"; in Section 14, the words added in "or report sent in." French Broad was dropped and Ball City and Woodfin churches added in and reads as it now reads.

I have visited twenty churches; have worked ten weeks in revivals, thirty members have joined by baptism.

I have worked also in missionary field and found all churches visited in good condition.

I received from the churches in missions and revival work, $163.00. I received from the Board, $500.00.

REV. CANADA A. WORLEY, Associational Missionary.

This subject was well discussed by Bro. Worley.

All reports were accepted by motion and second, and I will not use the words hereafter. All committees' names will be found under heading, "Committee," and subject they are on and to save space will not use their names after reports.

J. HENRY ROBERTS, Clerk.

REPORT ON BENEVOLENCE; HOSPITAL REPORT

We, your committee, emphasize on our North Carolina hospital at Winston-Salem for healing the sick and teaching the Lord's word. The word, "Benevolence" means to do good or act of kindness and that is what our hospital is doing. Hand in hand with the care of the sick, they operate a school of nursing, a school of X-Ray technology, a school of anesthesia and pastoral clinic. They have near one hundred and fifty students in these schools. They have approximately seventy-five doctors studying graduate work that they may become specialists.

Education Report called and read.

EDUCATION REPORT

Education is the systematic training of the moral and mental ideal of any of the learned professions. We believe in a trained mind brought into submission to Christ. We need trained workers in the Lord's work, filled with the Spirit of God, and through a desire of knowledge and wisdom in all our churches. We want to urge every messenger present to return to your churches filled with a desire to get two or three out of your church to attend one or more of our demoninational schools. There are several Missionary Baptist schools and colleges in North Carolina, and are the highest type to be found.

Discussed by Mr. Wayne Oliver of Wake Forest College and Clude F. Gaddy of Baptist Council of Christian Education of Raleigh.

Report of Cooperative Program called and read.

COOPERATIVE PROGRAM REPORT

We, Missionary Baptist, believe we have the best system in our cooperative program by which we can help in all departments of our Lord's service with our pocketbooks that man could have gotten up, the Lord must have devised the plan. The causes are listed as follows: Preaching and healing, teaching, State, Home and Foreign Missions, Christian education, hospital, orphanage, ministerial relief, etc. This is wonderful for us Missionary Baptist people.

Discussed by Bro. M. A. Huggins, General Secretary Baptist State Convention, Eugene Olive of Wake Forest College and Rev. H. H. Mann.

At this time J. Henry Roberts made a motion to declare all the offices to which Rev. Robert B. Vaughn was elected to in the Association vacant, and elect officers to fill his place since Bro. Vaughn had declined to serve. Motion carried. This was done and names are found at the beginning of the proceedings and Sunday School Convention proceedings.

At this time the Moderator called for a vote of confidence in the clerk and it appeared to the clerk those good folk could not get up quick enough to vote, they were so anxious to vote. That certainly did help me over the tie-up I had got into. Thanks and many a time.

12:30 P. M. Adjourned for dinner, and dismissed by Rev. Henry Rice.

Dinner on ground, and plenty of it. Thanks to those good folks, although they were under a handicap, about preparing it, not knowing there would be any Association.

FRIDAY AFTERNOON SERVICE

1:30 P. M. Song service. Prayer by Rev. Henry Rice.

Report on Periodicals called and read.

PERIODICAL REPORT

The ancient wise man said, "Of the making of many books there is no end." Today scores and hundreds of books rush into print. As fast as they are written, for the most part, they are soon forgotten. In the days of Emerson, he told us the average life of the novel was nine months. The rate is more rapid now of the popular edition. It has been said that, of a thousand modern books, six hundred and fifty of them are forgotten at the end of the first year; a hundred and only fifty of them survive for seven years, but the good old Bible will live. "The fashion of this world passeth away," and so do the books thereof; but the Gospel will live because it roots in that living message, the eternal Gospel of Christ.

We have the Biblical Recorder printed at Raleigh by the State Baptist Convention that is good reading and helps us to understand the Bible. We have the Sunday School leaflets and quarterlies printed at Nashville, Tennessee by the Southern Baptist Board that is a wonderful help to understand the Bible. We have the Commission printed in Richmond, Virginia by the Baptist Foreign Board that tells us what we are doing in foreign fields. We have the Home Mission printed at Atlanta, Georgia that tells us what we are doing in Missions at home, and other good reading papers.

Discussed by L. L. Carpenter and well done.

Report on Memorial called and read.

MEMORIAL REPORT

This report is in behalf of the dear loved ones who have ended their journey through this world of sorrow from the cradle to the grave. There have been 21 passed out since our report in August, 1947. We thank God for their fellowship and example of Christian spirit. We, the members of this Association, shall miss their sweet presence, but bow in submission to God's will, feeling our loss is their eternal gain. It is with a consciousness of our great loss that we pay tribute to them.

In memory of the dear ones gone on before us, we suggest that this Association stand with bowed heads for one minute.

No discussion, but prayer by Rev. Fred Pegg, and report accepted.

Report on Ministers Relief called and read.

MINISTERS' RELIEF REPORT

God desires that His people enjoy well-being till the very last day of life. God inspired the Philippian church to relieve the needs of Paul, who wrote: "I rejoice greatly that now at the last your care of me hath flourished again; wherein, ye were also careful, but ye lacked opportunity."

We Missionary Baptists have a Relief and Annuity Board that is doing a wonderfully good work in caring for our aged ministers. Are we doing our part by this board in our offerings?

No discussions; report adopted.

Report on Missions: Home, State and Foreign, called and read.

MISSIONS: HOME, STATE AND FOREIGN, REPORT

State Mission—All the eighteen states and the District of Columbia, included in the territory of the Southern Baptist Convention, have a well-organized and functioning State Mission Board through which Christ's threefold ministry .of preaching, teaching and healing is being carried out. Through this agency areas that are destitute of Gospel privilege and the Baptist message are supplied, churches are aided in securing proper pastoral leadership, trained Sunday School workers. State Missions is the seed corn of all our efforts for promoting Christ's program on earth. Our State Mission Board has sure played a vital part in making North Carolina the Baptist stronghold it is today with 2,781 churches and a membership of 622,426.

Home Mission was established in 1845. The purpose of the Home Mission Board is to evangelize the homeland and to marshal its forces for world-conquest for Christ. For this task it would seem that God has preserved and trained and equipped Southern Baptists. They believe the Bible. They are evangelistic. Thy hold the ordinances of their New Testament purity.

Foreign Mission was established in 1845, and today we have missionaries over most parts of the world, and are short of Foreign Missionaries for the lack of trained workers and for lack of funds. True, a large portion of the Foreign work has become self-supporting and yet we are short of funds for the spread of the gospel to foreign fields.

Discussed by Rev. C. A. Worley.

Report on Orphanage called and read.

ORPHANAGE REPORT

Facts and figures cannot compute the immeasurable good that has been done at our Baptist Orphanage at Thomasville and Kennedy Home at Kinston. Many homeless young lives have been developed and trained into stalwart Christian men and women that were destined to ruin and degredation. We are glad to report that last year nineteen of our churches out of thirty-three supported the orphanage to the amount of $621.36, while fourteen of the churches did not do anything for orphanage. Trusting all churches have helped the good cause this year.

The report accepted, and report on State of Churches called and read.

STATE OF CHURCHES REPORT

Last year we had thirty-three churches reporting to the Association with 3,725 members. We have this year 33 churches with 3,702 members reporting, which is a loss of churches reporting. We had one new church added to our list this year, bui lost Mount Zion. We had 172 baptisms this year to 169 last year.

In the state we had 2,781 churches reporting with a membership of 622,426, and forty Indian churches with a membership of 5,149. That is a good number, but wonder where they are at Sunday School time (see Sunday School report)? That makes it look as though we haven't enough seatwarmers and workers. Not masters of men, but servants of God; not possessive, but progressive!

All New Found Churches report Pastors and Sunday Schools but Bear Creek and Chestnut Grove—no pastors.

Discussed by Bro. Roy Meadows, Rev. Rex Adkins, Rev. Canada A. Worley, Rev., Fred Pegg and Rev. Howard H. Mann.

State of Ministers Report called and read.

STATE OF MINISTERS REPORT

We, your committee on state of ministers report, believe we have as good ministers as can be found anywhere. They are holding their Fifth Sunday

Meeting every fifth Sunday, and most of them are cooperating with each other. Sorry to say a few do not attend these Fifth Sunday Meetings that should.

We have 35 ministers reported this year, and out of that number 13 are pastors. We have 2 licentiates. Since last year, we have had one minister to pass out, Rev. W. M. Griffin, a well beloved minister.

No discussions; the Sunday School Report called and read.

SUNDAY SCHOOL REPORT

We, your committee on Sunday School Report, find that all the churches in the New Found Association have their Sunday Schools, but the enrollment not as large as should be. We learn that the State has 2,781 churches with 622,426 church members, of which there are 2,747 churches that have Sunday Schools. There are 20 mission schools making 2,767 with 467,486 enrolled. We learn that about 170,000 are children and about 35,000 not members which leaves about 262,486 church members out of 622,426 that attend Sunday School or near 42% of enrollment. In the New Found we had 3,725 church members with 1,916 Sunday School enrollment or a little better than 51%. At that rate we only have about 804 church members out of 3,725 members that attend Sunday School.

Cannot we do better than those figures next year? We are sure that we can if every member will make it a point to enlarge our Sunday School work.

This subject was discussed by J. Henry Roberts and Rev. Canada A Worley.

Temperance Report called and read.

TEMPERANCE REPORT

From all reports that come to us it is evident that there is more wine, beer and strong drink being used than at any time in the history of the world. Millions and millions of dollars are spent for beer, wine and whiskey per year.

"Wine is a mocker, strong drink is raging and whoever is deceived thereby is not wise."

We feel that it is wrong for our state to legalize the sale of alcoholic beverages. The wets have won out each time when it comes to the law makers allowing a state-wide election on this important question and by degrees slipping the hellish stuff closer and closer under our nose. It is now time for every Christian that wants our state to get out of the liquor business to see to it that men elected to our legislature be men we can depend on to give us a vote on this question.

Discussed by Rev. Canada A. Worley and Rev. Henry Rice.

Time, Place and Preacher Report called and read.

TIME, PLACE AND PREACHER REPORT

We your committee on Time, Place and Preacher Report, recommend the 94th Annual Session of the New Found Missionary Baptist Association be held with Flats Baptist Church on Spring Creek on Thursday and Friday before the third Sunday in August (August 18-19), 1949.

Report on Finance called and read.

FINANCE REPORT

We, your committee on finance, find that the treasurer carried over from last year in the bank, $21.02. The Ministers Fifth Sunday Meetings have turned over $14.05 to the treasurer. The Sunday Schools have sent in $32.75 to treasurer. An offering at Sunday School Convention of $12.15

was turned over to treasurer. The Churches have sent treasurer $88.60, the offering here of $11.34 making a total of $147.16.

Report on Resolution called and read.

RESOLUTION REPORT

1—Your committee on resolution is happy to attempt to voice what we believe to be the sentiment of this entire association in expressing our gratitude to God,, and to these good folks of French Broad Church. We express our deep appreciation to these good women folks for the way they have prepared the good eats and their good hospitality.

2—That we should appreciate and heed the many different good things we have heard from different speakers.

3—Be it resolved by all church members that we prove our Christianity by our works. In so doing our Sunday School will be better next year.

4—Be it resolved that every church member try for the next year to beat the figures of approximately 804 church members out of 3,725 attendtending Sunday School.

The election of Associational Missionary was taken up at this time having been delayed by the Clerk to see if the State Board would help us another year with our missionary.

Rev. H. H. Mann was nominated, and the nominations closed, and Bro. Mann was elected.

Talks by newly elected officers: 1st—Rev. Denver T. Brown; 2nd—J. Henry Roberts; 3rd—Rev. Howard H. Mann.

At this time a motion and second that the Association be held at the appointed time regardless, it being the Lord's will. Motion carried unanimously.

Section II of the Constitution reads:

The Association shall hold annual sessions to convene on Thursday before third Sunday in August each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Legally no one has the authority to change a meeting time without giving a year's notice and published in the minutes and it was a big mistake of your clerk in trying it this year but maybe it will be a lesson for the future.

CLERK.

4:40 P. M. Song: "God Be With You Till We Meet Again." Dismissed by Rev. Rex Adkins and this closed the 93rd Annual Session of the New Found Association to meet with Flats on Spring Creek in the 94th session Thursday before the third Sunday in August, 1949.

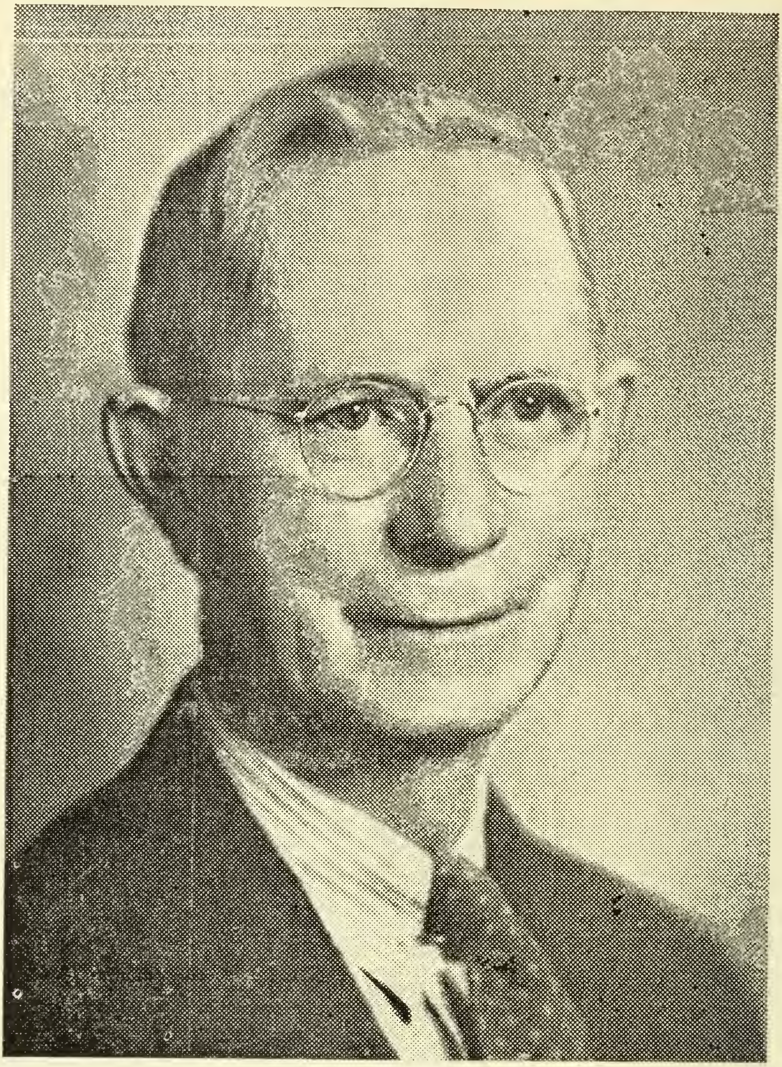
New elected officers spoke and made good talks, thanking the good folks for having honored them with the offices elected to.

Song service and a good old time handshake.

4:00 p.m. This closed an interesting convention and most interest shown at any convention although not many present. Dismissed by Rev. Robert B. Vaughin.

At the Association, Rev. Robert B. Vaughn having declined to accept the Sunday School Superintendent's place, the Association elected Rev. H. H. Mann Superintendent, and Rev. Ernest M. Gibson Assistant Superintendent.

J. HENRY ROBERTS, Secretary and Treasurer
BRO. HOMER HALL, Assistant Secretary



TO THE CHURCH CLERKS AND SUNDAY SCHOOL SECRETARIES

Some of the churches elect Sunday School officers every three months. I think this to be a big mistake because the ones that are in at the time the report is made to the Association get credit for what the other three have done as the ones reported are permanently recorded for the coming year and the other three sets of officers are not even thought of in the way of a permanent record.

Any time there is a change made in the church or Sunday School, the Clerk or Sunday School Secretary should notify your Association Clerk.

Any time the church has ordained a minister or liberated a man to preach, notify your Association Clerk at once so he can have his name to notify for the Ministers' Fifth Sunday Meetings.

Churches wishing Vacation Bible Schools in the summer time, should notify your Association Clerk; the first received will be numbered and will try to fill the requests as much as we can.

J. HENRY ROBERTS, Clerk.

Introductory Sermon -------------------------- Rev. E. Venson Plemmons

Alternate -- Rev. Valton B. Wise

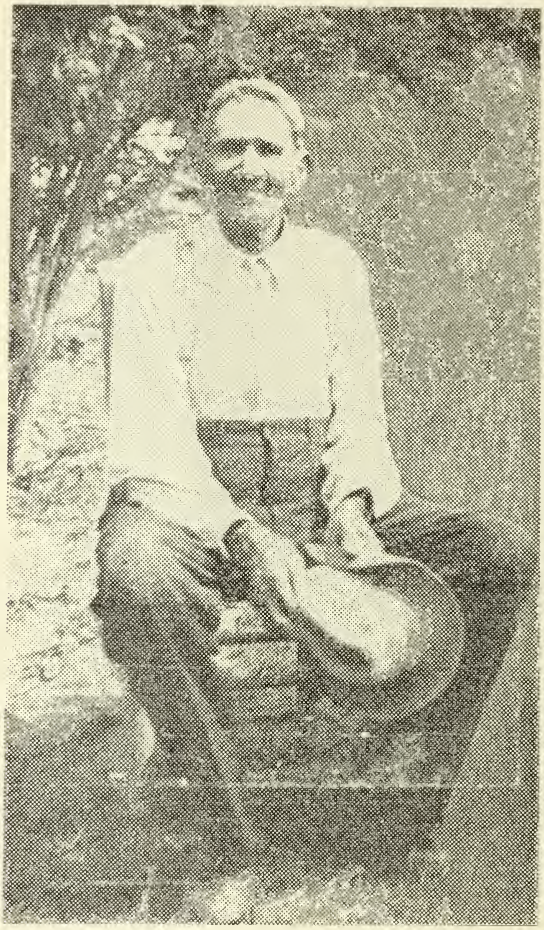
REV. BAILEY B. PLEMMONS

The Rev. Bailey B. Plemmons (Uncle Dick) was truly a pioneer minister of the Gospel in this section of the state. Uncle Dick professed religion at the age of thirteen at the Flats of Spring Creek in 1875 and united with that church. About nine years later he moved his membership to Mount Pleasant Baptist Church, and by the same church was licensed to preach, Nov. 30, 1895, and September 5, 1896 was ordained as a minister. The Rev. B. B. Plemmons pastored more than 18 different churches during his pastoral work, beginning at Mount Pleasant Baptist Church, and carried the Gospel over these mountains and into the valleys in Madison, Haywood and Buncombe Counties by way of horseback for transportation, and maybe on foot at times. Uncle Dick and family moved their membership to Lusk Chapel Baptist Church in 1917, and he remained a member of that church until death.

Uncle Dick was moderator of the New Found Missionary Baptist Association at Flats Spring Creek, 1908; Piney Grove,, 1915; Jones Valley, 1927; Lusk Chapel, 1931, and Zion at Bluff, 1932, and was an exceptionally good one.

Uncle Dick married Miss Thenia Plemmons January 23, 1881, and to this union seven children were born, four boys and three girls, five of whom are living.

Uncle Dick was called home for his heavenly reward November 29, 1948, at the age of eighty-six years, an humble servant of the Lord seventy-three years, and a minister of the Gospel fifty-three years.

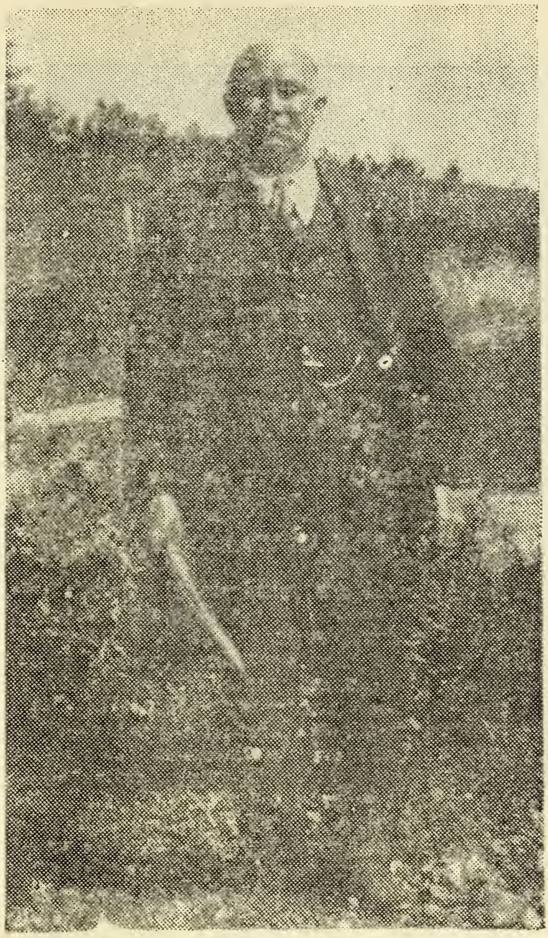


JAMES B. (BUD) ROBERTS

This page is dedicated in memory of James B. (Bud) Roberts, born April 7, 1861 on Little Pine Creek, R-1, Marshall, Madison County, N. C., and had lived there all his life on the farm. Uncle Bud (familiar name) married Alice M. Correll June 8, 1879, and to this marriage fourteen children were born, nine children living at their parents' death, thirty-two grandchildren, thirty-six great-grandchildren, and three great-great-grandchildren.

Uncle Bud professed religion and was baptized at Caney Fork Missionary Baptist Church, August, 1885, and was ordained a deacon November 9, 1889, and was chairman of the board of deacons until death, or about fifty years. He was Sunday School superintendent for years and years until health would not permit his regular attendance. Uncle Bud had belonged to the Masons around fifty years.

The time of departure came Saturday, 1:05 p.m., December 18, 1948, at the age of 87 years, 8 months and 11 days, his wife having preceded him in death one year and fifteen days.



REV. FATE M. McELREATH

To Whom This Page Is Dedicated

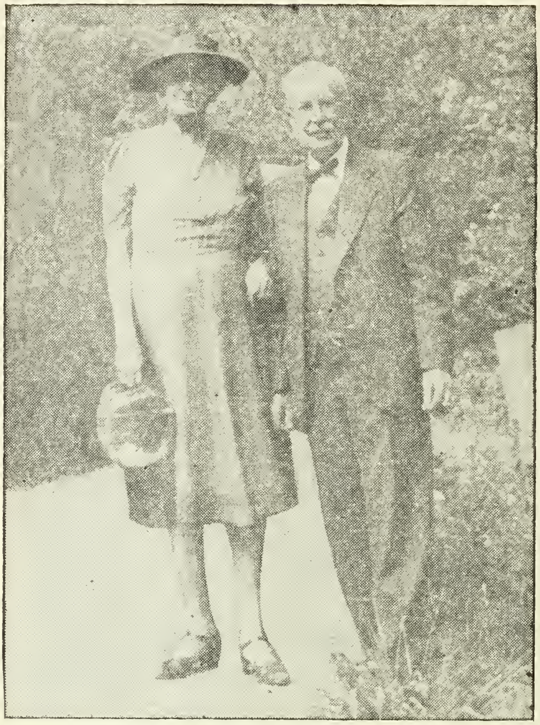
Born in Buncombe County in 1876, and lived on the farm. Uncle Fate (familiar name) married Miss Hester Teague, 1903, and made their home on North Turkey Creek. There were 8 children born to this union.

Uncle Fate professed religion in 1906 and joined Beulah Missionary Baptist Church. He was liberated to preach the Gospel by Beulah Baptist Church in 1914, and later ordained.

Uncle Fate did but very little pastoral work, but a lot of evangelistic work. Uncle Fate claimed he did not like pastoral work and had rather do evangelistic work and help the boys to cause souls to be saved, and was good at that work.

Uncle Fate was congenial, good natured and loved everybody, and liked to do work for the Lord. Indeed, he was a good man, and everybody loved Uncle Fate that knew him.

Uncle Fate took sick in January, 1949, and the Lord said, "well done, thou good and faithful servant; come home," and Uncle Fate departed this life May 22, 1949.



MRS. MARTHA FOWLER PLEMMONS
Wife Of The Late Ira Plemmons

To whom this page is dedicated

Born January 23, 1880, died May 4, 1949. She was the daughter of Wash and Sarah (Lusk) Fowler. Married Ira Plemmons December 6, 1896. One son, Roy Plemmons, was born to this union. She professed faith in Christ at an early age and united with the Methodist Church, and in 1900 she united with the Hot Springs Missionary Baptist Church.

To us, her fellow members of Hot Springs Baptist Church, the removal by death of Mrs. Martha Plemmons from our church and community, has been an irreplaceable loss. We knew her as the humble Christian lady she was. She loved her friends and was ever ready to grant them any accommodation she could; often discomfiting herself to do good for others. Her life was an open book, worthy to be read and practiced. Her character was of the very highest order, her faithfulness to her church was the best; she lived a fine exemplary life that young and old could follow safely and wisely.

Words will not permit us to express our sorrow on the loss of this fine Christian lady. We extend to her family our sincere sympathy which cannot compensate them for their loss, but perhaps our sympathy may in some way make their lives a little easier. We can only point her loved ones to the God she served and in that day of God, they can, and we can, meet Martha in the Heaven and be with her through eternal ages.

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Edgewood, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Piney Grove, Pinnacle View, Poplar Gap, Redmon, Turkey Creek, Union, Woodfin, Zion Missionary Baptist Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promoion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.——As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association, A. D., 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the libery of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session, August, 1942, the 87th session, sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945). At the Ninety-First Session at Zion Baptist church, August, 1946, the words added in Section 5 "and Assistant Clerk;" in Section 14, the words added in "or report sent in." French Broad was dropped and Ball City and Woodfin churches added in and reads as it now reads.

Edgewood has been added in, French Broad picked up and added in and article 2 of By-Laws changed and reads as it now reads at North Fork in the 92nd Session, August, 1947. At the 93rd annual session at French Broad Church, 1948, Harmony Hill was added to this union; Mount Zion dropped.

Association Missionary report called. No report received. The Missionary, Rev. H. H. Mann, was in Florida and sick part time, and did no work.

Sunday School report called and read.

SUNDAY SCHOOL REPORT

We have in the State 2,830 Sunday Schools, with 2,810 churches, with 2,800 churches reporting Sunday Schools; the 30 over are mission Sunday Schools. The enrollment, 487,940. Last year we had in the New Found

33 churches reporting 33 Sunday Schools, with 2,104 membership and 1,459 average attendance. This year we have 30 churches reporting Sunday School and membership, 2233, and average attendance of 1530. The Sunday Schools have their Annual Sunday School Convention, but it lacks cooperation of most all our pastors.

This year the Convention voted to unite the Sunday School Convention with the Association and have the Convention on Wednesday before the Association on Thursday and make a three-day session of both.

We do not see how our Sunday Schools can advance if some of the pastors do not cooperate more in the Sunday School work.

MRS. H. A. SNELSON, MISS JULIA MERRILL, MRS. JAMES McELREATH, Committee.

Motion and second to accept the report. Discussed by Rev. D. P. Brooks of the State Sunday School Board, Rev. Jack C. Davis, Rev. Valton B. Wise, Harvey Bruer, J. M. Davis, Rev. J. Garfield Lindsey. Motion carried.

Orphanage report called and read.

ORPHANAGE REPORT

We learn that Catholics continue to build orphanages all over our land and country. It is particularly discouraging when we note that about 50% of all children in the Catholic orphanage are from Baptist homes. While it is true the Catholics care for many Baptist children in their orphanages, the children are never Baptist when they leave the Catholic orphanage—they are Catholic.

We should support our own two Baptist orphanage homes by our continual prayers and interest. Let us increase our efforts to care for many more needy children in our two orphanages, and some day build other homes which will also be spiritual lighthouses to needy children.

CLAUD A. GREEN, L. E. PONDER, BAIN SCOTT, Committee.

Motion and second to accept the report. Discussed by W. C. Reed, representing the Orphanage and was well done. Motion carried.

Report on Education called and read.

EDUCATION REPORT

Jesus Himself was the greatest teacher of Christian education on record. We are commanded to teach Jesus' method of dealing with His disciples which was of three-fold nature. He first called them into service; next, He taught them as to the work they were to do: and then sent them out to do their work in accordance with His instruction. We read Christ's instructions to His disciples, "Go ye therefore and teach all nations, baptizing them in the name of the Father, and the Son, and the Holy Ghost, teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always even unto the end of the world."

We point with pride to our Baptist schools and colleges of North Carolina and recommend we patronize them more than we are doing, so as to give the young folks a Christian education.

H. E. PLEMMONS, JOHN GENTRY, C. W. BALDING, Committee.

Motion and second the report be accepted. Discussed by M. H. Kendall of Mars Hill College, and well done. Motion carried.

4:20 p.m. Dismissed by Bro. M. H. Kendall, to meet 9:30 Friday morning.

FRIDAY MORNING, AUGUST 19, 1949

9:30 a.m. Song service by congregation. Prayer by Rev. Canada A. Worley. At this time the roll of churches was called the second time. Welcome to visitors.

Report on Benevolence called and read.

BENEVOLENCE, HOSPITAL REPORT

Our Baptist Hospital at Winston-Salem is owned by the Baptist State Convention of North Carolina and it is directed by a board of trustees appointed by the convention.

If anyone in our community is unable to get proper medical treatment or pay a doctor, he or she has access to this institution where he or she can have the best of care. We should appreciate this wonderful blessing of healing in our denomination and glad to say the institution does not bar anyone regardless of color, sex or denomination.

ROY WILLETT, ANZLEE PRICE, F. M. WILLETT, Committee.

Motion and second the report be accepted. Discussed by Rev. W. K. McGee of the Baptist Hospital and well done. Motion carried.

Cooperative Program Report called and read.

COOPERATIVE PROGRAM REPORT

This is to remind you of the fact that we Baptists of North Carolina have a system called "Cooperative Program" in which every cent we donate can be used to all missions. Sometimes this is called undesignated mission money. When we send an offering and specify for what it is to be used, then that offering goes to that object only, and we call that designated for missions.

REV. VALTON B WISE, REV. E. VENSON PLEMMONS,
H. A. SNELSON, Committee.

Motion and second the report be acception. Discussed by Rev. J. C. Pipes of the State Convention, and Rev. J. Garfield Lindsey. At this time Rev. J. C. Pipes had two little Orphanage girls, about 4 to 6 years old, sing a song. Rev. Jack C. Davis spoke on the subject. Motion carried.

Memorial report called and read.

MEMORIAL REPORT

This committee on Memorials finds there have been thirty-one deaths in our Association since meeting August, 1948. We find there have been two ministers, Rev. B. B. Plemmons and Rev. Fate M. McElreath, and one deacon, James B. (Bud) Roberts, and twenty-eight lay members, whose work on earth has been completed, and they have passed on before us to receive their rewards.

RESOLVED: First, that we bow in humble submission to the will of an allwise God and our Heavenly Father;

Second, That we extend our deepest sympathy to their loved ones, and commend them to the care and comfort of a loving Father.

MRS. JAMES McELREATH, MRS. WILLARD PRICE,
MRS FLOYD ASKEW, Committee.

Motion and second the report be adopted. No discussion; the motion carried.

Ministers' Relief Report called and read.

MINISTERS' RELIEF REPORT

We have a "Minister's Retirement Plan," and more than ten thousand ministers are giving their approval by remitting their membership dues with regularity in the Southern Baptist Association. Approximately one thousand retired ministers are satisfied the plan works and they are receiving monthly retirement checks from the Board.

The Minister s Retirement Plan is as much a part of our denominational program as any other Christian activity that we are interested in. Why not all our ministers avail themselves of this opportunity, thus insuring some degree of care and comfort to the disabled, the aged, the widowed, and the orphaned?

REV. J. GRADY FREEMAN, REV. C. A. WORLEY,
REV. ERNEST M. GIBSON, Committee.

Motion and second the report be accepted as read. No discussion; motion carried.

Missions: Home, State and Foreign Report called for and read.

MISSIONS: HOME, STATE AND FOREIGN

We find from a study of the Bible that missions are taught emphatically by our Saviour Jesus Christ, and the disciples and apostles, and it is a very important part of our Christian duty. We have Missions divided in three classes: Home, State and Foreign. We believe that Missions should begin at home. If our people can once see their duty toward missions at home, and become active in that division of the work, then they are easily shown a vision of missionary needs beyond. In order to get more of our people interested in Missions, we recommend the following:

1. That pastors and Sunday School teachers emphasize this part of our Master's work.
2. That literature bearing on this subject be placed in the hands of the people.
3. That we, as Christian workers, have competent teachers to instruct our people in regard to this duty.

RAYMOND PRICE, MRS. O. M. FISH, MRS. H. A. SNELSON, Committee.

Motion and second the report be accepted. This subject was discussed by Rev. J. C. Pipes, with Cooperative Program. Motion carried.

Dismissed for dinner by Rev. E. Venson Plemmons. Dinner on the grounds, and plenty of it. Thanks to the good folks.

FRIDAY AFTERNOON SERVICE

1:30 p.m. Song service. Prayer by Rev. Jack C. Davis. Song by congregation, "Amazing Grace."

At this time the Association welcomed pastors from other Associations, Rev. Jack C. Davis and Rev. L. J. Robers, the only two present.

Report on Periodicals called and read.

PERIODICALS REPORT

The manufacture and sale of literature is one of the big businesses of the world today. Much of that which is written for sale is anti-God, and anti-human. It is being sold from every newsstand in the country. Since it is read by all ages, certainly it must be a contributing factor in the increase of crime, immorality, Sabbath-breaking and intemperance.

Some of the cities have prohibited the sale of demoralizing comic books from newsstands. Their stand is to be commended. However, more and more people are reading, and constructive material must be written for them to read. Many good Christian books, papers and magazines are published—they should be read. We Baptists have good literature which should be in the hands of all.

Therefore, we heartily recommend the following:

1. That we make much of our own literature: The Biblical Recorder, The Commission, our Foreign Mission Magazine, and The Home Mission, our Home Mission Magazine, and others.
2. That all Baptist churches use Baptist literature in all church organizations.

MRS. JAMES McELREATH, Committee.

Motion and second the report be accepted. No discussion; the motion carried.

Report on State of Churches called and read.

STATE OF CHURCHES REPORT

We have 2,810 Baptist churches in North Carolina with a membership of 636,700. We have thirty-three churches in the New Found Association, with a membership of 3,762, as reported in 1948. This year we have thirty churches reporting and three not reporting, with a membership of 3,727. We have fourteen churches that have had their Vacation Bible Schools and had it not been for lack of cooperation of some of the pastors, we feel that we would have had more Vacation Bible Schools, if our churchse would cooperate with the pastors.

H. A. SNELSON REV. J. GAFIELD LINDSEY,
REV. VALTON B. WISE, Committee.

Motion and second the report be accepted. Discussed by Rev. Valton B. Wise, Rev. Jack C. Davis, Rev. J. Grady Freeman, Rev. J. Garfield Lindsey; the moderator called Bro. Chan W. Balding to the chair, and then spoke on the subject, as did Rev. E. Venson Plemmons. Motion carried.

State of Ministers Report called and read.

STATE OF MINISTERS REPORT

We had 34 ministers reported last year in this Association, and two licentiates, and out of that number fourteen were pastors. This year we have 27 ministers reported and ten are pastors. We have three licentiates.

The ministers have their Fifth Sunday Meetings and have had since November, 1936. This is a get-together meeting, with a chance to know each other better, but we are afraid some of the ministers do not have the work on their heart as they should have. We hope and pray that from now on, each minister will attend the ministers' meetings that we may have a better report next year.

O. M. FISH, REV. LEROY HEATHERLY,
REV. E. VENSON PLEMMONS, Committee.

Motion and second the report be accepted. No discussion; the motion carried.

Temperance Report called and read.

TEMPERANCE REPORT

Sin expresses itself in many forms. One of them is that of drinking and drunkenness, the curse of gambling, the large number of divorces, broken homes, cursing and swearing, Sabbath breaking, forgetting God and holy things, and hosts of evils impossible to enumerate. There is one and one only, safe standard of holiness and righteousness—the righteousness which is of God by faith. We are urged in the Scriptures to "abhor that which is evil, and cleave to that which is good." We are also urged to avoid even the appearance of evil. We should accept it for ourselves, and seek to bring others up to this standard.

The struggle with the liquor traffic is an unending one. The members of the legislature are a majority favoring the sale of whiskey without giving the people a chance to vote for or against it. The people are disfranchised on voting for or against the whiskey sales, hence enemy number one has the rule over the people.

EDGAR JUSTICE, MRS. BAIN SCOTT, REV. VALTON B. WISE,
Committee.

Motion and second the report be accepted. Discussed by Rev. Valton B. Wise, Rev. J. Garfield Lindsey and Rev. Jack C. Davis, and well done. Motion carried.

Report on Time Place and Preacher called and read.

TIME, PLACE AND PREACHER REPORT

We, your committee on Time, Place and Preacher, recommend the 95th Annual Session of the New Found Missionary Baptist Association be held with Hot Springs Missionary Baptist Church, Thursday and Friday before the third Sunday in August (August 17-18), 1950.

REV. J. GRADY FREEMAN, REV. E. VENSON PLEMMONS,
H. E. PLEMMONS, Committee.

Motion and second to accept the report. No discussions; the motion carried.

Finance Report called and read.

FINANCE REPORT

We find the Treasurer had to advance $52.00 last year to pay for the Association minutes. We find some of the churches, and through the Ministers' Fifth Sunday Meeting have paid the $52.00, and then the Ministers' Fifth Sunday Meeting has turned over to the treasurer, J. Henry Roberts, $12.57. The Sunday Schools have sent in $52.82, and the offering at the Sunday School Convention of $12.90, the churches have paid in $98.79, and the offering here of $18.64, making a total of $195.72.

MISS BETTY GENTRY, MISS SUE GENTRY,
MELBO JEAN TRANTHAM, Committee.

Motion and second the report be accepted after the treasurer makes some corrections of the amount received.

The report corrected. J. H. Roberts, Treasurer. Motion carried

Report on Reolsutions called and read.

RESOLUTIONS REPORT

1. We recommend the 94th Annual Session of the New Found Association has greatly appreciated the hospitality and kindness of the good folks at Flats Spring Creek Baptist Church. We express our deep appreciation to the good women folk for the way they have prepared the good eats, and for their hospitality and kindness.
2. Whereas the forces of evil have bestirred themselves to weaken and destroy the power of law-abiding people of North Carolina to vote out the liquor traffic, and this has aroused widespread resentment and an increasing demand for a state-wide election on this question;
3. Therefore, Be it resolved by the New Found Association, assembled in its 94th Annual Session, this the 19th day of August, 1949, that we pledge our active cooperation and support to any movement fostered by Christian people, looking to the ridding the whole State of North Carolina of the legal traffic of intoxicating liquors, and the imprisonment of all bootleggers.
4. Resolved that we express to Judge Nettles and Solicitor McLean for the stand they have taken in padlocking gambling houses and bootleggers, our many thanks.

MRS. JULIA MERRILL, MRS. O. M. FISH, J. M. DAVIS, Committee.

Motion and second the report be accepted. Discussed by Rev. Denver T. Brown. Motion carried unanimously.

At this time Bro. H. E. Plemmons was elected Representative of the State Baptist Hospital at Winston-Salem.

A committee of three was appointed to visit Bear Creek Baptist Church and learn why that church has not reported the last two sessions of the Association, and render any and all the assistance to this church they can. "Even death has a wonderful mission,
Though it robs us of those we love;
It draws us from our surroundings
To long for the meeting above.
No matter how heavy our loss is,
No matter how great our despair;
Doesn't Heaven seem nearer and brighter
To know our loved ones are there?"

THE NEW FOUND ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Edgewood, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Piney Grove, Pinnacle View, Poplar Gap, Price Chapel, Redmon, Turkey Creek, Union, Woodfin, Zion Missionary Baptist Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by this body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Ammendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of this Association, A. D., 1942.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed with prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member is speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by Messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit such church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session, August, 1942, the 87th session, sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945). At the Ninety-First Session at Zion Baptist church, August, 1946, the words added in Section 5 "and Assistant Clerk;" in Section 14, the words added in "or report sent in." French Broad was dropped and Ball City and Woodfin churches added in and reads as it now reads.

Edgewood has been added in, French Broad picked up and added in and article 2 of By-Laws changed and reads as it now reads at North Fork in the 92nd Session, August, 1947. At the 93rd annual session at French Broad Church, 1948, Harmony Hill was added to this union; Mount Zion dropped. 95th session at Hot Springs August 1950, Price Chapel added.

Education Report:

EDUCATION REPORT

"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee." (Hosea 4:6).

That so-called education is more popular than ever before is evidenced on every hand. State-supported universities, agricultural and mechanical colleges and medical schools have expanded their plants and faculties to the limit. Thousands have applied for the limited number of scholarships now offered in this country to foreign students.

Our Baptist Schools are now rendering their greatest service. All of them are filled with students, and most of them have waiting lists. Only in our denomination schools are taught knowledge of God through the Bible and the Baptist Schools and Colleges is the place for our young people to obtain knowledge.

Committee:
Chan. W. Balding,
Mrs. Tom Davis,
Morris Davis.

Motion and seconded the report be adopted. Discussed by J. A. McLeod, of Mars Hill; Br. Ed Preston, of Meredith College, Raleigh. Motion carried. Memorial Report called and read:

MEMORIAL REPORT

We, the Committee on Memorial, find there has been 23 deaths in our Association since we met a year ago. They have finished their earthly task, and responded to the call of our Heavenly Father to abide with Him on high for evermore.

Therefore, be it resolved that memory bring fond recollection of them and may their gentle spirit hover about us and we with willing hands carry on our task and be united again where there will be no more parting. Our sympathy go out to the bereaved families and may the Lord bless and comfort them.

Committee:
Henry Plemmons,
Mrs. R. C. Kirby,
Miss Annie Lee Ponders.

THE MINISTERS RELIEF OR RETIREMENT PLAN

The Relief and Annuity Board is becoming more and more our denominational house of security for our ministers who have become aged and not able to carry on. It also provides for widows of deceased ministers.

There are many pastors who have not joined this plan. It is a great opportunity. It is a security and comfort to the disabled, the aged, widows, and the orphaned.

Rev. Henry Rice,
Oscar Haney.

Motion and second to adopt report. Discussed by Rev. Canada A. Worley and Rev. Robert B. Vaughn. Motion carried.

Have visited ten Churches and the following Churches paid me: Beulah, in revival, $32.65; Chestnut Grove, $13.98; Cross Rock, revival, $11.67; Liberty, $0.00; Ball City, $11.95; Ebenezer, $3.51; French Broad, $9.61; Jones Valley, $4.05; Union, $5.25; and Lusk Chapel, $7.10; a total of $99.77.

Your Missionary,
(Rev.) Ernest M. Gibson.

Talks on Missions by Rev. Jack C. Davis and Rev. Robert B. Vaughn. Report on Missions: State, Home and Foreign, read. Discussed yesterday.

MISSIONS: STATE, HOME AND FOREIGN REPORT

We have missions divided into three parts: State, Home, and Foreign. Our Saviour when He was going away gave the Marching Order to the Church. Matthew gives us the field.

"All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in name of the Father, and the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you and lo: I am with you alway, even unto the end of the world." Read that in Matthew, 28th chapter, Verses 18, 19 and 20.

Do we believe this Scripture, and if so, why do we not do more for Missions?

Committee:
Rev. Robert B. Vaughn,
Mrs. Hester Fleming,
Monroe Redmon.

COOPERATIVE PROGRAM REPORT

This seems to be the twenty-fifth year of trial and we all agree that it is the best time yet devised for handling the financial side of our great program. It unifies and co-ordinates our work in such a manner that we all can have a part in every phase of the work sponsored by our Baptist Board in giving to all causes through one channel.

It is far more economical in operation, systematic and regular in supporting all our work, democratic sincere church representative say how the money is to be divided, makes every giver a world Christian, and provides proper balance in our support of all causes.

Committee:
Mrs. Ray Buckner,
E. L. Buckner,
Mrs. W. M. Rice.

Discussed yesterday. Report on Hospital called and read:

BENEVOLENCE; HOSPITAL REPORT

Our Baptist Hospital at Winston-Salem: **Objectives** are Teaching and Healing of Christ's Ministry. The Bowman Gray School of Medicine of Wake Forest forms the only Baptist-owned Hospital and Medical School combined in the world to date.

Underlying these objectives is the Christian responsibility of caring for the poor by giving them the medical service they require and by ministering to the sick throughout the State.

The Hospital admits approximately 10,000 persons per year as bed patients and rendered a total of 90,259 days of patient care in 1949.

The State Baptist Board are to be congratulated in turning down the help offered by our Government for our Hospital. Keep State and Church separated. Render to the Government what is due the Government and unto God what is due to our Lord and Master.

Committee:
H. E. Plemmons,
Gordon Woody,
Ray Buckner.

Motion and second the report be adopted. Discussed by Rev. W. K. McGee, of the Hospital at Winston-Salem; Rev. Denver T. Brown (chair occupied by Vice-Moderator, Chan. W. Balding); Lee Carter, Rev. E. Venson Plemmons, and Rev. Jack C. Davis. The report adopted.

Periodical Report called and read:

PERIODICALS REPORT

All that Homer had to say has been told in twenty modern languages. All that Shakespeare wrote has been translated into forty languages. All that Tolstoy declared to the world has found expression in sixty languages. Bunyan's Pilgrim talks in 118 different languages.

But the Bible, in whole or part, is today translated into more than 1,000 different languages and dialects.

It has weathered the storms of hate. It has withstood the thunderbolt of wrath. It has triumphed over the edicts of tyranny or oppressor. It has endured the curse of infidelity. It has conquered the gnawing teeth of time.. It has outlived, outlifted, outlooked, outloved, outreached, outranked and outblessed all other books because the Bible will live as it roots in that living message, the eternal Gospel of Christ.

For literature we recommend our own Baptist Literature: The Biblical Recorder, The Charity and Children, The Commission, and other Baptist Literature.

Yours truly,
(Miss) Annie Lee Ponder,
Periodical Representative.

Report approved. A good report but no discussion. (Clerk).

12:05 P.M.—Dismissed for dinner by Rev. Jack C. Davis, the Pastor. Dinner on the ground and well prepared.

Friday Afternoon

1:30 P.M.—Song Service. Prayer by Rev. E. Venson Plemmons. The Report on Orphanage called and read. Discussed yesterday by Dr. Zeno Wall, of Thomasville.

ORPHANAGE REPORT

North Carolina Baptists have two homes to care for our dependent and orphan children: The Mills Home located at Thomasville and the Kennedy Home at Kinston. Dr. Zeno Wall, Superintendent at the Mills Home, and Rev. W. C. Reed, Superintendent at Kennedy Home. Effective August 20, Dr. Zeno Wall has tendered his resignation on account of age. Rev. W. C. Reed has been elected to succeed Dr. Wall.

Facts and figures cannot compute the immeasurable good these two homes have done. Many homeless young lives have been developed and trained into stalwart Christian men and women that were destined to ruin.

Last year out of thirty Churches reporting eight did not report anything for Orphanage and three did not report any mission work.

Committee:
Johney Roberts,
Anzlee Price,
Rev. E. M. Gibson.

State of Churches Report called and read:

STATE OF CHURCHES REPORT

Delighted to report that New Found Association was the best report than had been in fifteen years with 3,727 church members, 2,233 enrolled in Sunday School with average attendance 1,530 out of 30 Churches reporting and three not reporting. We had five Churches full-time pastors, eleven half-time pastors, and 14 quarter-time pastors.

This year we have thirty-one Churches with four full-time pastors, 16 half-time pastors, 10 quarter-time pastors, and one open for pastor, with a membership of 3,799, and with 248 baptisms, three Churches not reporting.

Committee:
Rev. E. Venson Plemmons,
Lee Carter,
Burnett Sams.

Motion and second to approve report. Motion carried.

At this time a motion and second for the Clerk to write the Clerk of Buncombe Association, to know if Edgewood Church had joined that Association. Motion carried.

Your Clerk wrote the Clerk, Rev. H. M. Hocutt, of the Buncombe Association, and reply received by return mail that Edgewood had joined the Buncombe Association.

State of Ministers' Report called and read:

STATE OF MINISTERS REPORT

"The laborer is worthy of his hire." "Thou shalt not muzzel the mouth of the ox that treadeth out the corn." "If we have sown unto you spiritual things is it a great thing if we shall reap of you carnal things."

Some of our pastors and ministers fail to teach and lead our people STEWARDSHIP and fail to teach the responsibility to God in this matter. Hence we come up short with Orphanage, local, State, Home and foreign missions.

God's word teaches man's financial obligation: May God's servants preach this obligation to their people.

We have as good preachers as you will find anywhere in our association and they are to be commended. They keep up their Fifth Sunday meeting.

Committee:
Rev. Robert B. Vaughn
Rev. J. Garfield Lindsey
Rev. Richard Haney

Motion and second to approve the report. No discussion, the motion carried.

Report on Sunday Schools;

SUNDAY SCHOOL REPORT

Last year there was a report of thirty-four Sunday Schools with an enrollment of 2,232, average attendance 1,530. The 14th Annual Session at Edgewood last year was almost a total failure. Miss Inis Roberts and myself only officers present. The program was excellent and no speakers and not wishing to butcher it up we did not use it. Seeing the Convention was in the mirer I asked my friends to have me elected Superintendent and I was elected. Homer Hall assistant, Miss Inis Roberts, Secretary and Miss Viola Hawkins, Assistant Secretary. Our first work was a Sunday School rally at Union Sunday, 2:00 p.m. November 27, 1949. This was a real good meeting. The second rally was at Liberty, 2:00 p.m. Sunday January 15, 1950 and this was a good meeting. The third at Turkey Creek Sunday 2:00 p.m. February 19, 1950. This meeting not so good and not many folks out.

The 15th Annual Session held with Hot Springs Wednesday, August 16th, 1950 was good but attendance not so good. We have 31 Sunday Schools reporting this year with enrollment of 2,299. The same Schools last year reported as follows:

J. Henry Roberts, Superintendent.
Miss Inis Roberts, Secretary.

TEMPERANCE REPORT

Here we are again on Temperance as usual every year and how far have we got? We Christians must admit the lowering of moral standards. We have been taught from our early youth that certain things are right, and certain things are wrong. The final word of authority for human conduct is the Bible.

Sin expresses itself in many forms. A few of them are the evils of drinking and drunkeness, the curse of gambling, the large number of divorces, broken homes, cursing and swearing, Sabbath breaking, forgetting God and Holy things, and a host of evils impossible to name.

The struggle with the Liquor Traffic is an unending one. We need to study and pray over this question as never before, and see what can be done by Christian groups working together and knock out the terrible effects of this public enemy number ONE.

In conclusion, we, your committee, urge a renewed interest in good government on all of our Church members. This is most important and most urgent.

J. Henry Roberts

Now serving my sixteenth year as Clerk of the New Found Missionary Baptist Association, I wish I could command words to convey my appreciation of the cooperation the good folks of the New Found have given me. Will have to let it go at that.

Have tried to help the Church Clerks in their work all I could. Some of the Clerks have made mistakes but that is not any more than I have done. When I write the Clerk a letter about a report it is only to help you get your report correct and if you catch me in a mistake I sure will appreciate it if you will write me a letter or tell me. When writing a Clerk about a mistake it is not anybody's business but the Clerk and myself. I never let it leave my lips.

Vacation Bible Schools. I cannot give you any promise for sure but think I will be able to get a teacher from the board next year. Anyway, if you wish a school place your request with me early next spring and I will see what I can do for you. Miss Wilson cannot be with us next year but will help select a good teacher, if I can get one.

Wanted by Wake Forest College and me, Association Minutes for the years 1855-1878; 1880-1883; 1885-1887; 1890; 1894-1897. Anyone having any or all of these minutes please send to me.

Your Clerk,

J. Henry Roberts.

MRS. ANNIE LEWIS

This page dedicated in memory of Mrs. Annie Lewis, commonly called Aunt Annie. The Lord called Aunt Annie to her Heavenly Home December 28, 1950, being seventy-six years old. She was the mother of seven children, three of whom are still living. Aunt Annie accepted Christ as her Saviour at an early age and came into the Hopewell Missionary Baptist Church in 1916 as a charter member, when the church was organized.

We, the members of Hopewell Church, feel our great loss by her passing out, but we know our loss is Heaven's gain. All who knew Aunt Annie loved her and one could always get a spiritual blessing by talking with her.

JAMES MONROE REDMON

This page dedicated to our beloved Brother J. Monroe Redmon. Brother Monroe was born November 1, 1879 in Buncombe County on the farm. He was educated at Fairview School and at Tusculum College, Tennessee. He made his profession in a Presbyterian Church in 1900 and was a member of that church until he joined Redmon Baptist Church which was organized in 1940. When he joined the Redmon Baptist Church he was baptized by emersion.

Brother Monroe was ordained a deacon on September 14, 1941. Brother Redmon donated the land for the Redmon Baptist Church and built the church house at a cost of $2.546.00 and was chairman of the deacons. He served as Church Clerk and Treasurer and was Sunday School Superintendent part time. He represented the Baptist Orphanage in the New Found Baptist Association in 1946.

Finally the Lord said, "Well done, Monroe, come home" and he departed this life April 10, 1951 at the age of 71 years, 5 months and 9 days.

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Piney Grove, Pinnacle View, Price Chapel, Redmon, Turkey Creek, Union, Woodfin and Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them .

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION
BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Association, shall be opened and closed by prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of the minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise

or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

Cooperative Program read.

COOPERATIVE PROGRAM REPORT

The Cooperative Program has been in operation about twenty-six years with the Southern Baptists, to properly support all the works of Baptist denomination in the Southern Baptist and our State, Home and Foreign Mission Program to the ends of the earth. We Baptists believe this plan was inspired of God and is the method that continually keeps our people marching together in a World Mission Program.

We urge our churches to increase their gifts to the Cooperative Program.—Committee.

ASSOCIATIONAL MISSIONARY REPORT

Have traveled 250 miles; visited 21 homes and in revival at Piney Grove received $6.92; Union revival and received $19.24; Ball City revival and received $51.16; at Ebenezer received $4.76; and visited Liberty. Total received, $82.08.

Yours truly,

REV. ERNEST M. GIBSON, Associational Missionary.

ORPHANAGE REPORT

We feel that the Orphanage is the product of pure and undefiled religion.

As soon as people have been delivered from their helpless condition by the blood of Christ, they have sought those who needed help. The Baptist people have been the pioneers in missions, Christian education, and in caring for the orphanages of the State. We owe children without parents a debt of caring for them and giving them a Christian education, thus preparing them to take the place of useful men and women in life rather than that we should neglect them and turn them over to the courts of our country. We have the Mills Home at Thomasville, and the Kennedy Home at Kinston.

—Committee.

Talk on the Old Age Home at Winston-Salem by Rev. James Hayes, Superintendents of the home. Motion and second to adopt the Old Age Home Report. Motion carried.

At this time Cooperative Program was discussed by Mr. M. A. Huggins, and well done.

Talk by Mrs. W. B. Sprinkle on W. M. U., and well done.

REPORT ON EDUCATION

Christian Education is the only education there is. We have men who are well educated by book learning, who are in the dark, and they are the most ignorant people we have. They have missed an education. The greatest in education is Christian Education, that the world has ever known.

"Search the Scripture, for in them ye think ye have eternal life, and they are they which testify of me." And it was this same Jesus who said "Go ye into all the world and make disciples of all nations, baptizing them in the name of the Father, Son and the Holy Ghost, teaching them to observe all things whatsoever I have commanded you, and lo, I am with you always, even unto the end of the world." This teaching should begin in the home by true Christian parents teachers, and continue in the church and carry on through our Christian school teachers.

Patronize our denominational schools. Do we have any students of the New Found in our Baptist schools? Maybe, but not any reported.

—Committee.

Discussed by J. A. McLeod of Mars Hill College and much appreciated.

Memorial Report called and read.

MEMORIAL REPORT

We, the committee, find that there have been 31 deaths in our Association since this time last year. We realize that our yesterdays are the blocks with which we build, and the deceased have made their standards and landmarks and may we follow on and join them in the great Association beyond the stars and leave behind our footsteps on the sands of time.

Our sympathies go to the bereaved families left behind, and remember, our loss is their gain.

—Committee.

No discussion.

MINISTERS' RELIEF REPORT

The Ministers' Retirement Plan of North Carolina aims at providing a partial living for retired ministers, and some aid for total disability. It includes, also, for those who desire it, a small provision for the widow in case of the husband's death.

There are about 1700 pastors in North Carolina, and approximately 800 are on the retirement plan. The plan deserves more support from our pastors and churches.

—Committee.

No discussion.

HOSPITAL REPORT

The Baptists of North Carolina have realized that the ministry of healing is as much instructions from Jesus Christ as any other commandment. We, as a convention, own and operate the Baptist Hospital in Winston-Salem in cooperation with the Bowman Gray School of Medicine.

In a year's time the Hospital cares for more than 8,000 patients. Approximately 4,000 are given treatment free of cost. This costs more than $550,000, and about $300,000 was given at no cost at all to patients.

Have we in the New Found Association done our share of this mission work?

By The Associational Representative, J. HENRY ROBERTS.

This report was discussed by Mr. Richard Young before noon, and by Rev. Denver Brown when report was read.

A good talk by Rev. N. H. Griffin which was much appreciated.

4:10 p. m. Dismissed by Rev. N. H. Griffin to meet Friday morning at 9:30.

FRIDAY MORNING SERVICES

9:30 a. m. Rev. E. Venson Plemmons, Vice-Moderator presided until noon. Song, "What A Friend We Have In Jesus." Prayer by Rev. Jack C. Davis. Devotions by Rev. Denver T. Brown, reading a portion of Acts the 12th chapter, and spoke a few words on the Scripture read.

Report on Missions called.

MISSIONS REPORT: — State, Home, and Foreign

Christ said: "If ye love Me keep My commandment." Just before He ascended he said: "All power is given me in Heaven and in earth; go ye therefore, and teach all nations, baptizing them in the name of the Father, and the Son, and the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you, and lo: I am with you alway, even unto the end of the world." Read that in Matthew, 28th chapter, verses 18, 19 and 20.

Last year this Association paid Cooperative Program $80.00; Associational Missions, $24.02; State Missions, $104.01; Home Missions, $320.34; Foreign Missions, $44.34.

Three churches paid no missions, nor even gave an orphanage a drink of water. 28 churches paid $1867.90 for all missions, including orphanage.

—Committee.

This report discussed by J. Henry Roberts, Rev. Jack C. Davis, and Rev. Denver T. Brown.

PERIODICALS REPORT

I am happy to report that we (the Newfound Association) have made an effort and a step forward by our contributions of $50 to send Bibles to the people at home and abroad that are hungering and starving for the Gospel of Christ. Like Jesus told his disciples: "Go ye, into all the world and preach my Gospel to every creature." And as he also taught Nicodemus: "As Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up." We can, by our contributions, send the Gospel and lift up Christ to people we, ourselves, cannot go to.

Let us in our own homes read the Baptist literature, such as The Biblical Recorder, Commission, a journal of the Foreign Mission Board, Home Mission Magazine, Home Life and State papers, that we may know what our Baptist people have done, are doing now, and what might be done in the future.

Respectfully submitted,

MISS VIOLA HAWKINS, (Representing Periodicals)

This subject was well discussed by Rev. Howard H. Mann.

Moved and seconded to drop Edgewood from the union for having joined the Buncombe Association in 1950. Carried. Motion and second to drop Poplar Gap from the union. Carried. The committee reported they could not revive Poplar Gap. The committee to see New Hope reported favorably and New Hope has reported. Song service.

Adjourned for dinner. Dismissed by Rev. Jack C. Davis. Dinner on the ground, and abundantly.

FRIDAY AFTERNOON SERVICES

1:30 p. m. The Moderator, Rev. Robert B. Vaughn, in the chair. Song services. Prayer by Rev. Denver T. Brown. Welcome to visitors.

State of Ministers Report called and read.

STATE OF MINISTERS REPORT

Last year we had 39 ordained ministers and 8 liberated. Out of 39 ministers, twelve were pastors. This year we have 41 ordained ministers, and 16 of them pastors; 25 not pastors. We have 2 licentiates. Five ministers ordained this year. We are proud of our good ministers.

"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? . . . . "—Romans 10:14-16.

Discussed by J. Henry Roberts, Rev. Robert B. Vaughn, Rev. Denver T Brown, and Rev. Jack C. Davis, and well done.

STATE OF CHURCHES REPORT

We, your committee, report we had thirty-one churches reporting last year, with a membership of 3,819. We had three churches not reporting, and out of the three one joined Buncombe Association. This year we have all churches (thirty-two) reporting, with a membership of 3,978. One church dropped for delinquence, having failed to report for three years, and no chance to revive it. We have seven churches with full time pastors; fifteen churches, half-time pastors; and ten churches one-quarter-time pastors.

Churches are in good condition and doing about the average amount of work.

—Committee.

The report unanimously adopted.

Resolution Report called and read.

RESOLUTIONS REPORT

Whereas, Pastor Denver T. Brown, and the members of Jones Valley Baptist Church, have so graciously and kindly entertained this, the 96th session of the New Found Missionary Baptist Association, therefore be it resolved:

1. That we express to the pastor and members of Jones Valley Baptist Church our sincere appreciation of the Christian hospitality, and especially to the good women folks for having prepared the good eats that nourish the body while in your midst.
2. The world has yet to see what God can do through one man, and let us resolve: "By the Grace of God, we will be one of that person."
3. Let us read more of the Bible than we have in the past as it will give Christ to us in an intimacy so close that He will be less visible to us if He stood before our eyes.
4. Every preacher in this Association knew of the Sunday School Convention and this Association, and hereafter let every church in this Association release their pastor to attend the Convention and Association, and the messengers and members attend them. Show an interest and it will be better.

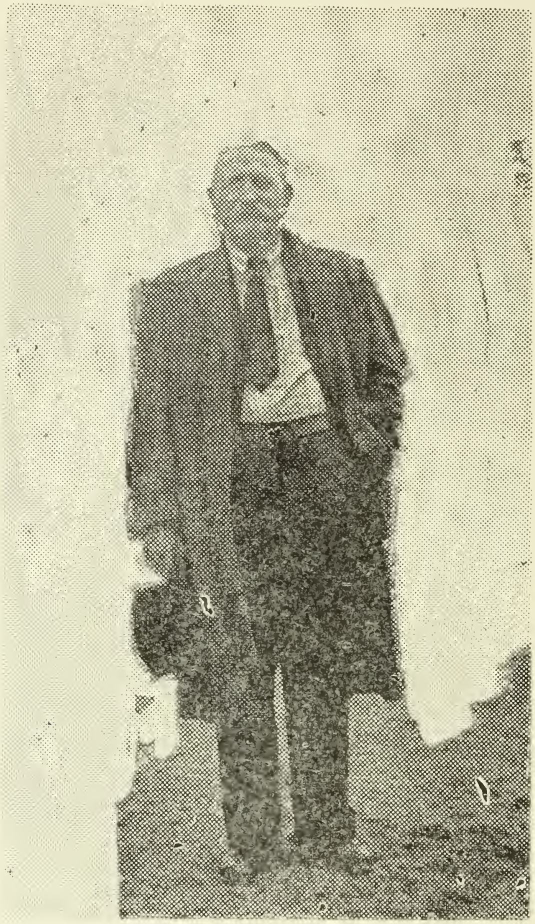
KYE CALDWELL

This page dedicated in memory of Brother Kye Caldwell, who departed this life March 4, 1952 at the age of 75 years. He joined the High Land Baptist Church at an early age and later moved his membership to Lower Big Pine Baptist Church, where he was ordained a deacon in April, 1936. He was active in all church work. Uncle Kye, as he was known by all who knew him, is missed by everyone who knew him, and certainly by the Church, as he was always present for every church service when his health permitted. We know our loss is Heaven's gain.



JAMES WILSON

This page dedicated in memory of Brother James Wilson, the son of Uncle Mitch and Aunt Jane Wilson, born February 11, 1877. He professed religion in 1900 at Caney Fork Baptist Church and was baptized in Little Pine Creek. He moved his membership to Bear Creek Baptist Church in 1905, where he was ordained a deacon. He moved his membership back to Caney Fork Baptist Church in 1913, where he remained a faithful worker and deacon until death.

Brother Jim and Sister Rachel Lunsford were married December 6, 1891, and to this union eleven children were born. There are six children living: Mrs. Minnie Goforth, Mrs. Stella Sexton, Floyd Wilson, Dexter Wilson, Glen Wilson and Mrs. Geneva James. Uncle Jim was a dear lover of good singing, and was choir leader for years.

Having served the Lord and Master for more than fifty years till the Lord said "well done, Jim; come home," he departed this life Sunday, April 6, 1952, at 11:00 a. m., at the age of seventy-five years, one month and twenty-five days.

Uncle Jim was the last one to go of Uncle Mitch and Aunt Jane's family.

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Roaring Fork, Turkey Creek, Union, Woodfin, and Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative asemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted a letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes of the preceding year.

ASSOCIATIONAL MISSIONARY REPORT

I believe the word 'missionary' will bear out Paul's word in I Cor. 3:9: "For we are labourers together with God: Ye are God's husbandry, ye are God's building." It takes the whole church to do mission work, everybody working together.

This is a great work and we need to cooperate to the glory of God and the uplifting of His Kingdom.

Have visited 13 churches; preached 75 sermons; helped in 5 Vacation Bible Schools; traveled 1,350 miles; offerings for Cooperative Program, $26.75; 42 conversions; baptized 19; organized one church, Roaring Fork; offerings by churches, $189.80.

Respectfully submitted,
JACK C. DAVIS, Associational Missionary.

(Brother Davis did not begin work until February, and has done a good job.—Clerk.)

Motion and second the report be adopted. No discussion; motion carried.

At this time Dr. K. M. McGee, of the Baptist Hospital of Winston-

Salem, spoke in behalf of the hospital.

11:45 a. m. In the absence of the appointees, Rev. J. Grady Freeman and Rev. J. Garfield Lindsey, the chair appointed Rev. E. Venson Plemmons to preach the introductory sermon.

Rev. E Venson Plemmons, reading for the lesson, Romans 10:1-2, and using for a topic, "A Spiritual Desire," brought us an inspiring message.

12:10 p. m. Dismissed for dinner by Rev. J. C. Pipes.

Dinner on the grounds, and in abundance.

AFTERNOON SERVICE

1:30 p. m. Song by congregation, "There Is A Fountain Filled With Blood." Prayer by Rev. Jack C. Davis. Welcome to visitors (see visitors). Rev. James M. Hayes, Superintendent of the Home for the Aged, of Winston-Salem, spoke in behalf of the Home.

Rev. J. C. Pipes spoke on "Coperative Program." Cooperative Program Report called and read.

COOPERATIVE PROGRAM REPORT

The Cooperative Program plan continues to grow in favor with the people. The increase in gifts through the Cooperative Program is far more noteworthy than the increase in designated gifts. There is a strong tendency on the part of the churches to get away from the special offerings for designated programs. It is much easier to make special offerings if you wish to support all causes of the Southern Baptist Convention, for the Cooperative Program than for the different objects which are called "Designated Missions."

REV. JACK C. DAVIS, McKINLEY REDMON, MRS. INIS ROBINSON,
Committee.

(All reports will be by motion and second to accept and the Clerk will not use that in accepting reports.)

Discussed by Rev. Jack C. Davis. Motion carried.

Report on Education called and read.

EDUCATION REPORT

Christian Education is too big a subject to be discussed in such a brief report. It may be well to consider this subject as it relates to this State and as it is promoted through the Baptist Schools of the State.

The Baptist people of North Carolina have long been interested in Christian Education, and today we point with pride to our Christian schools: Wake Forest, Mars Hill, Meredith, Campbell, Gardner-Webb and Wingate. As we look at these schools and the fine work that is being done, we are happy that North Carolina has made progress in Christian Education

MISS JULIA MERRILL, MISS VIOLA HAWKINS, CHAN W. BALDING,
Committee.

Discussed by J. A. McLeod of Mars Hill College, and well done.

Home for the Aged Report called and read.

HOME FOR THE AGED REPORT

The Baptist State Convention of North Carolina in its November, 1950 session, authorized the committee on the Home for the Aged at Winston-Salem to open and operate such a Home when funds for the operation may come available. The committee for the Home was instructed not to expect help from the Convention in 1951. The committee was successful in finding a way to open and operate. Their first action was to elect Rev. J. M. Hayes to serve as superintendent, and Miss Edna Heinzerling as supervisor. So the Home is working.

O. M. FISH, REV. CHESTER FISH, OSCAR HANEY, Committee.

Well discussed by the Superintendent of the Home, Rev. James M. Hayes.

Hospital Report called and read.

REPORT ON HOSPITAL

As representative of the hospital in this Association, I would like to make the following report according to information received from the hospital and State Convention.

Out of all the churches in this Association, only fourteen contributed in the Mother's Day offering, a total of $222.83, and to the building fund, only twelve churches contributed $176.73. This may not be complete as to all the churches contributing.

This report being on June 12, I would like to remind our churches that we rejoiced in the rejection of government funds for our institution, and we have failed so far to meet the financial responsibility that we accepted.

Our hospital in 1951 in the out-patient clinics, had 48,846 visits; 10,491 persons as bed patients; almost half of these were service patients who paid no doctor bills, and were given free hospital care at a cost of $400,000. Other figures we will not attempt to give such as work with nurses school, medical school, and general hospital work. But I trust that this will give you an etimate of what the hospital is doing and what we can make it do if we will do our part.

D. T. BROWN, Your Hospital Representative.

Discussed by Dr. McKee yesterday, and today by Rev. N. H. Griffin, Rev. Jack C. Davis, Brother Lee Carter and Rev. Robert B. Vaughn.

Memorial Report called and read.

MEMORIAL REPORT

Since we last met in session, August, 1951, there have been 24 deaths; their voices have been silenced and their steps will be heard no more among us. They were comrades whom we shall not forget. As we pause today, we are conscious of our loss which is Heaven's gain. We rejoice that their days of toil have passed and that they have gained the crown of eternity. May their lives and splendid memory be a challenge to us to "press toward the mark" they have gained.

"Oh, do not grieve too much, too long!
Earth is the prelude, Heaven the song."

REV. ELMER P. CARTER, MILLARD FREEMAN, H. E. PLEMMONS,
Committee.

Discussed by Rev. J. A. McLeod, Rev. Robert B. Vaughn.

Ministers' Relief Report called and read.

MINISTERS' RELIEF REPORT

We believe the Ministers' Retirement Plan for our aged ministers is a wonderful plan by which our retired ministers of the State of North Carolina will be provided a partial living. We believe our ministers in the New Found are not taking advantage of this opportunity for aid.

There are around 1700 pastors in North Carolina and about 800 are on the Retirement Plan.

REV. CANADA A. WORLEY, REV. E. VENSON PLEMMONS
and REV. H. H. MANN, Committee.

Discussed by Rev. Robert B. Vaughn and Rev. E .Venson Plemmons.

Dismissed by Rev. Robert B. Vaughn until Friday morning, August 15, 1952, at 9:30.

FRIDAY MORNING SERVICE, AUGUST 15, 1952

9:30 a. m. Song by choir, "Amazing Grace." Devotions by Rev. E. Venson Plemmons, reading 23rd Psalm. Prayer by Rev. Jack C. Davis.

Welcome to visitors.

Orphanage Report called and read.

ORPHANAGE REPORT

During the sixty-seven years of glorious history of achievements and care for the orphanage child, the ones in charge of the Orphans Home are due a lot of tribute and praise.

Last year, Rev. W. C. Reed, General Superintendent, and Dr. I. G. Greer, Chairman Board of Trustees, through our program, cared for 764 children. Six hundred and six of these were at Mills Home and Kennedy Home. One hundred lived with their mother and were given financial aid. Fifty-eight were kept in boarding homes that were approved by our Orphanage and by the State.

REV. J. GARFIELD LINDSEY, Representing the Orphanage.

Discussed by Mr. J. Marse Grant, Editor of Charity & Children.

Report on Missions: State, Home and Foreign, called and read.

MISSIONS REPORT: STATE, HOME and FOREIGN

Matthew 28:18-20 reads "All power is given unto me in heaven and earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even to the end of the world."

This was just before the ascension that He spoke these words and His last commandment.

St. John 14:15: "If ye love me, keep my commandments."

Acts 1:8: "And ye shall be witnesses unto me both in Jerusalem, and in Judea, and in Samaria, and unto the uttermost part of the earth."

MRS. H. H. MANN, RAYMOND ROBERTS, C. E. DUCKETT, Committee.

Discussed by Rev. Elmer P. Carter, J. Henry Roberts, Rev. Jack C. Davis, Mrs. Elmer P. Carter and Rev. Robert B. Vaughn.

A discussion was brought up that the churches of the New Found Association pay our Associational Missionary as much as the State Baptist Board pays. This to be taken up with the churches.

Periodicals Report called and read by Miss Hawkins.

PERIODICALS REPORT

I report that we have made a little more progress with the cooperation of more churches this year, but not so good in our contributions ($16.10) to the Bible Society, which is doing a wonderful job in supplying people everywhere with Bibles.

Let me also urge you to keep and read in your home the Baptist literature such as: The Biblical Recorder, Commission, Life & State papers, Home Missions Magazine, a journal of the Foreign Mission Board.

Respectfully submitted,
MISS VIOLA HAWKINS, representing Periodicals.

Discussed by Miss Viola Hawkins and Rev. Robert B. Vaughn.

At this time Miss Viola Hawkins was elected to repreent American Bible Society.

Discussed by Rev. Elmer P. Carter, Rev. Robert B. Vaughn and Miss Viola Hawkins.

Admission of New Churches Report called and read.

ADMISSION OF NEW CHURCHES REPORT

We, your committee on Admission of New Churches, beg to report Roaring Fork Missionary Baptist Church has been legally organized according to the New Testament and has applied for admission to our Union. We recommend this church be admitted.

CHAN W. BALDING, OSCAR HANEY, REV. E. VENSON PLEMMONS,
Committee.

Discussed by Rev. Jack C. Davis. The church was admitted.

At this time an offering of $17.35 was taken for Minute Funds.

Song. Dismissed for dinner by Rev. E. Venson Plemmons, and another good dinner on the grounds.

AFTERNOON SERVICE

1:30 p. m. Song service. Prayer by Rev. Elmer P. Carter.
State of Churches Report called and read.

STATE OF CHURCHES REPORT

We have 32 churches in the New Found Association and all have reported. Two churches are open for pastors. They all have their Sunday Schools and doing about the usual work. There are 3,930 church members in the Association. We have 167 baptisms reported. A new church, Roaring Fork, has been added in.

Piney Grove united with French Broad Missionary Baptist Association.

MRS. HAZEL SUTTLES, MRS. BAIN SCOTT, FRANK P. COLE,
Committee.

Welcome to visitors. State of Ministers Report called and read.

STATE OF MINISTERS REPORT

There were forty-one ministers reported in the New Found Association last year and two licentiates. Out of that number, sixteen were reported as pastors in the Association with eight pastors outside the Association. The ministers are holding on and having their Fifth Sunday Meetings and all meetings are well attended, but could be better. There are about four ministers who have never attended these meetings and do not cooperate with the Association nor Conventions.

This year we have 35 ministers reported and out of the number 13 are pastors. We have 4 licentiates reported for this year.

(Out of 35 ministers only seven were at the Association).

H. E. PLEMMONS, OSCAR HANEY, W. B. SCOTT, Committee.

Discussed by Rev. Robert B. Vaughan and Rev. Jack C. Davis.

TEMPERANCE REPORT

Few people realize that distilling of whiskey is one of our biggest industries, and involves thousands of people, millions of dollars. So says Carl Goerch, as printed in the Biblical Recorder of March 15, 1952. He was not writing about so-called legalized liquor, but moonshining in North Carolina.

Mr. Goerch presented in the article the results of a good deal of figuring as to how much bootleg liquor is manufactured and sold in North Carolina: "In our opinion the illicit whiskey traffic in North Carolina is somewhere in the neighborhood of $100,000,000 a year. Sales made in ABC stores during the last fiscal year amounted to $52,428,147.33."

It is our understanding in 1948 the U. S. Government spent five billion dollars for schools while we spent eight billion dollars for whiskey.

MRS. IBBY MARTIN ROBERTS

This page dedicated to Mrs. Ibby Martin Roberts, the daughter of Uncle Posey and Aunt Kate Martin. She was born December 27, 1884.

Sister Roberts professed religion and was baptized at Caney Fork Church in 1897, at the age of 13 years, and was a faithful member, although she had moved her membership to another church, but moved back to Caney Fork November 11, 1951, where she remained a faithful member and was the teacher over the Adult Ladies Bible Class in Sunday School.

Sister Ibby and Bro. Kelly Roberts were married in February, 1908, and to this union two children were born: Mrs. Bertie Rice of Swannanoa, and Mrs. Annie Mae Brown, Rt. 1, Marshall, N. C. There are five grandchildren and two great-grandchildren, three sisters and the husband living.

Having served her Master and Lord for more than fifty-five years, the Lord said, "Well done, Sister Roberts, come home." She departed this life Wednesday, June 24, 1953, at the age of 68 years, 5 months and 27 days.

The sunshine of Sister Ibby's smiles will always be a happy memory to her family, her husband, children, grandchildren, great-grandchildren, three sisters, and her great host of kinfolks and friends.

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, Inanda, Jones Valley, Liberty, Long Branch, Lower Big Pine, Lusk Chapel, Meadow Fork, Mount Zion, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Turkey Creek, Union, Woodfin, and Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1—The confederation of churches shall be known and called by the name of New Found.

Section 2—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6—Baptist Churches not before united in an Association, or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present; provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted a letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9—In case of internal dissention in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided, the same shall have been published in the minutes of the preceding year.

Section 16—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17—Any and all previous Constitution of this Association is hereby repealed.

ASSOCIATIONAL MISSIONARY'S REPORT

Nehemiah 4:6—So built we the wall and all the wall was joined together unto the half thereof: for the people had a mind to work.

It is one thing to talk about work, and entirely something else to get our minds, strength and ability into the work and do something about it. Let us unite our churches together in the great Work of the Lord.

Revivals and other work in Association ---------------- 14 churches

Did some revival work other Association.

Organized one Training Union in the Association.

In charge of two Vacation Bible Schools in the Association.

Preached 90 sermons, had 92 conversions, baptized 5, and traveled 4,500 miles.

"Let us labor together."

REV. JACK C. DAVIS,
Your Associational Missionary.

Motion and second to accept the report. Discussed by Rev. Jack C. Davis. Motion carried.

Introductory sermon by the appointee, Rev. Howard H. Mann, reading for the lesson Matthew 23:37, and the topic, "Behold Your House Is Left Unto You Desolate," and brought us a wonderful message.

THURSDAY AFTERNOON SERVICE

1:30 p. m. Song service. Prayer by Rev. Canada A. Worley.

THE COOPERATIVE PROGRAM REPORT

The Cooperative Program is the best plan yet devised for providing support for all missions, educational, and benevolent causes of our denomination, on an equitable and systematic basis. It has much to commend it; and Southern Baptists generally, and the New Found Baptists in particular, are constantly growing in their appreciation and support of it.

REV. RALPH L. HOGAN, REV. JACK C. DAVIS, MRS. ALLIE WALDROUP, Committee.

Admission Of New Churches Report called and read.

ADMISSION OF NEW CHURCHES REPORT

We, your committee on Admission of New Churches, find that Long Branch Missionary Baptist Church of Canton, Rt. 1, has applied for admission into our union. They have a membership of 50 members and a Sunday School enrollment of 48. The Rev. E. Venson Plemmons is their pastor. We recommend this church to be admitted to our union.

T. O. HANEY, REV. JACK C. DAVIS, REV. RUFUS A. BURRELL, Committee.

Motion and second the report be accepted and Long Branch be admitted in full fellowship in our Association. Motion carried.

Education Report called and read.

CHRISTIAN EDUCATION REPORT

Jesus said, "Go ye therefore, and teach all nations; teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world." This is the great commission of our Lord, and you will notice that He enjoins us to teach the things which He has commanded. This program of teaching is Christian Education. It is not enough for us to win people to Jesus Christ as Saviour; they must be taught in order to carry forward the will and purpose of God as revealed in Jesus Christ.

We recommend to our Baptist people they patronize our Baptist Colleges in North Carolina: Wake Forest, Mars Hill, Meredith, Campbell, Gardner-Webb, Wingate and Chowan.

JULIA MERRILL, CHAN W. BALDING, Committee.

Motion and second the report be accepted. Discussed by Mr. J. A. McLeod of Mars Hill College, and Mr. Roger H. Crook of Meredith College of Raleigh. Motion carried.

Home For The Aged Report called and read.

HOME FOR THE AGED REPORT

This Resthaven at Winston-Salem was begun March 16, 1951. Soon after the opening it was filled to capacity. When the news spread of the beginning, applications began to accumulate rapidly. There have been around 500 inquiries, but not enough room. The ages run from 62 to 92 years, and come from all parts of the State.

C. T. WALDRUP, ANZLEE PRICE, Committee.

Discussed by Rev. James M. Hayes, the Superintendent. Motion carried.

Hospital Report called and read.

HOSPITAL REPORT

We should be proud of our Baptist Hospital at Winston-Salem. It sure is doing a wonderful mission in healing, and training Specialists, Doctors and Nurses. The new wing added to the hospital adds about four hundred more beds for patients and yet, not enough rooms. Last year there were.

During the year 1952, the Emergency Room treated 8,290 cases. The hospital has given around $500,000.00 free services to folks not able to pay doctor bills and hospital bills.

This is a very religious institution and the Chaplain covers a multitude of activities and duties and he is a part of the healing team: visiting patients who are emotionally upset from the dread of an operation, and many other ways.

Let us prove our sincerity in helping the hospital in every way we can.

Yours truly,

REV. HOWARD H. MANN, Representing the Baptist Hospital.

Motion and second to accept the report. Discussed by Rev. James M. Hayes and Rev. Jack C. Davis. Motion carried.

Memorial Report called and read. Motion and second to accept the report.

MEMORIAL REPORT

We, the committee on Memorials, find that there were twenty-four deaths reported in 1952 and there are 31 reported this year, and we feel we have lost friends whose fellowship it was an honor to enjoy. That we offer to the bereaved families and mourning friends, over whom sorrow has hung her sable mantle,, our heartfelt condolence, and pray that Infinite Goodness will inspire their loved ones and friends with the consolation hope in futurity and faith in God who doeth all things well.

REV. CANADA A. WORLEY, MARK HAWKINS, MRS. OLLIE WELLS, Committee.

Discussed by Bro. O. M. Fish and Rev. Robert B. Vaughn. Motion carried.

Ministers' Relief Report called and read.

MINISTERS' RELIEF REPORT

The Ministers' Retirement Plan has been in operation for several years. It gives financial aid to our aged preachers and their wives or widows. There are more than fourteen hundred aged servants of the Master.

The Ministers' Retirement Plan has not made the progress that was hoped for because churches and pastors have not affiliated themselves with the plan. We do not know of a pastor in the New Found that has taken any part of this good plan to care for them in their old age.

We would suggest that the pastors and churches give this matter their prayerful and prompt consideration.

REV. RILEY CORN, REV. M. D. HUFFMAN, REV. RUFUS A. BURRELL, Committee.

Motion and second to accept the report. Discussed by Rev. Riley Corn. Motion carried.

Dismissed by Rev. Robert Vaughn until Friday at 9:30 a. m.

FRIDAY MORNING SERVICE — AUGUST 14

9:50 a. m. Song service. Devotions and prayer by Rev. Ralph L. Hogan.

Welcome to visitors.

Report on Missions: State, Home and Foreign, called and read.

MISSIONS REPORT: STATE, HOME and FOREIGN

The Southern Baptist Convention has a well-organized and functioning State Mission Board in each State of the Southern Baptist Convention through which Christ's threefold ministry of preaching, teaching and healing is carried out.

Home Missions was established in 1845. The task of Home Missions is making and baptizing disciples, to bear upon the immigrant population in our industrial centers, helping the underprivileged to know our Lord and Saviour, Jesus Christ.

Foreign Missions was established in 1845 and has sent missionaries over most parts of the world. Acts 1:8: "And ye shall be witnesses unto Me both in Jerusalem, and in Judea, and in Samaria, and unto the uttermost parts of the earth."

MRS. WAYNE SHELTON, MISS VIOLA HAWKINS,
REV. E. VENSON PLEMMONS, Committee.

Motion and second the report be accepted.

Discussed by Dr. W. K. McKee of the Baptist Hospital at Winston-Salem. Motion carried.

Orphanage Report called and read.

ORPHANAGE REPORT

North Carolina Baptist Orphanage at Mills Home, and Kennedy Home care for more than seven hundred and fifty children a year. The Social Service staff of the Orphanage has also helped a great number of children who could not be admitted to find homes where they are cared for. The main source of financial support for the Orphanage is, of necessity, our churches and Sunday Schools. Regular support comes through the once-a-month offering in the Sunday Schools. This is supplemented by the Thanksgiving offering in, as nearly as possible, all our churches. Have we done our part in this worthy cause?

J. MORRIS DAVIS, C. E. FOSTER, O. M. FISH, Committee.

Motion and second the report be accepted. Discussed by Rev. W. C. Reed, Superintendent of the Baptist Orphanage at Thomasville and Kennedy Home. Motion carried.

Talk on Women's Missionary Society by Mrs. W. K. McKee of Winston-Salem.

Report on Periodicals and American Bible Society report called and read.

BIBLE SOCIETY and PERIODICALS REPORT

The Bible Society has been doing a wonderful work in its distribution of the Scripture. In 1952, it distributed 7,882,644 copies of Bibles, Testaments and Portions of Scripture in the United States and 5,546,386 copies in foreign countries, making a total of 13,369,030 copies.

This year we haven't had the cooperation of the churches in our contributions to the Society as in previous years. So, in the coming year, let us encourage our people about the Bible Society and its work.

In the coming year, let us read our Baptist literature more (The Biblical Recorder, Commission, Life and State paper, Charity & Children, Home & Foreign Mission Board magazines) that we migh come to know and understand each other better. Most of all, let us study our Bibles to 'show ourselves approved unto God; a workman that needeth not to be ashamed, rightly dividing the Word of Truth.'—II Timothy 2:15.

Respectfully submitted.
MISS VIOLA HAWKINS.

Motion and second to accept the report. Well discussed by Mr. L. L. Carpenter, Editor of The Biblical Recorder, of Raleigh. Motion carried.

Dismissed for dinner by Rev. Rufus A. Burrell, and dinner on grounds and plenty of it.

AFTERNOON SERVICE

1:30 p. m. Song by congregation, "Amazing Grace." Prayer by Rev. Hugh Rhymer.

Finance Report called and read.

FINANCE REPORT

We, your Finance Committee, find the Ministers' Fifth Sunday Meetings have turned over to the Treasurer $22.00 The Sunday Schools have paid the Treasurer $60.55, and the offering at the Convention of $14.23 has been turned over to the Treasurer. The churches have paid the Treasurer $157.35, and the offering here of $7.61, making a total of $261.74.

MRS. O. M. FISH, MRS. MARIE RASH, Committee.

Motion and second the report be accepted. Discussed by the Treasurer, J. Henry Roberts. Motion carried.

State of Churches Report called and read.

STATE OF CHURCHES REPORT

Our churches are doing about the usual work. All have Sunday Schools and four had Vacation Bible Schools; two churches report Training Unions. We had 32 churches last year, and this year we have 34. One church that had joined another Association, came back into our union this year, and one new church came in. We now have a total membership of 4,253 church members. Four churches were open for pastors, but before the minutes were printed, all had pastors except one. We have 170 baptisms reported.

CLINTON WORLEY, QUEEN PLEMMONS, McKINLEY REDMON, Committee.

Motion and second to receive the report. No discussion. The motion carried.

State of Ministers Report called and read.

STATE OF MINISTERS REPORT

Last year there were thirty-five ministers reported in the New Found Association, and out of that number there were thirteen reported as pastors; should have been fourteen. We had eight pastors from other Associations. This year, we have 41 preachers reported with 17 as pastors. Last year there were four licentiates reported, and this year we have one newly ordained preacher and 6 licentiates.

The ministers are holding on regularly to the Ministers' Fifth Sunday Meetings, but, sorry to say, there are about three non-cooperative with their Brother Ministers and have never attended a Fifth Sunday Meeting.

REV. E. VENSON PLEMMONS, REV. C. A. WORLEY, REV. M. D. HUFFMAN, Committee.

Motion and second to receive the report. Discussed by Rev. Robert B. Vaughn. No other discussion. Motion carried.

Sunday School Report called and read.

Temperance Report called and read.

TEMPERANCE REPORT

We are taugh in the Bible, the Word of God, to be temperate in ALL things, and to add to our Christian character. In our temperance report, we are bad to switch to evil number one, the whiskey, and it seems it is growing stronger and more of it. There is, or must be, an undercurrent that we cannot get ahead of—it must be in our own ranks. With more than 3,000 Baptist churches, not counting other denominations, with more than 700,000 Baptists in North Carolina, we ought to head-off the liquor traffic and get it out of our country.

According to the Baptist handbook of 1953, total consumption in the U. S. in 1951 was 193,766,629 gallons distilled spirits; 126,429,965 gallons wine; 2,572,137,543 gallons beer.

REV. RALPH L. HOGAN, REV. JACK C. DAVIS, J. G. ERWIN,
Committee.

Motion and second to accept report. Discussed by Rev. Robert B. Vaughn and J. Henry Roberts. Motion carried.

Talk on Christian Education by George J. Griffin of Wake Forest College.

There have only been three Sunday School Rallies—held by Miss Viola Hawkins and Mrs. James R. Robinson, and the Annual Sunday School Convention, July 30 and 31, 1953.

We should have more of the spirit of cooperation of our pastors and Sunday School superintendents, and teach the Word of God more than heretofore, and build up our church schools. All the churches report Sunday Schools. French Broad failed to report to the Convention.

Respectfully submitted,

CHAN W. BALDING, Committee.

Motion and second to receive the report. Discussed by Miss Viola Hawkins and Rev. Hugh Rhymer. Motion carried.

RESOLUTIONS REPORT

WHEREAS, the pastor and members of Cedar Hill Baptist Church have so graciously and kindly entertained this, the 98th session of the New Found Missionary Baptist Association; Be It Resolved:

1. That we express to the pastor and members of Cedar Hill Baptist Church our sincere thanks and appreciation for the fine Christian fellowship and hospitality: and especially to the fine ladies for preparing and serving the delicious food.

2. That we, as Missionary Baptists, catch a vision of the need of sharing our Christ to the uttermost parts of the earth.

a. By "studying to show ourselves approved unto God; a workman not to be ashamed; rightly dividing the Word of Truth."

b. By first giving ourselves, then give of our time and money to carry this message.

3. That each pastor be present at this Association and urge his messengers to attend that they may be encouraged to do more in this field of service. "Be ye doers of the Word and not hearers only."

MRS. RALPH L. HOGAN, MRS. O. M. FISH, ZEB EDWARDS, Committee.

Motion and second the report be accepted. No discussion; the motion carried.

Time, Place and Preacher Report called and read.

TIME, PLACE and PREACHER REPORT

We, your committee on Time, Place and Preacher Report, wish to recommend the 99th Annual Session of the New Found Missionary Baptist Association be held with Chestnut Grove Missionary Baptist Church, beginning at 10:00 a. m., on Thursday before third Sunday in August (August 12-15, 1954)

CLAUD A. GREEN, McKINLEY REDMON, REV. RUFUS A. BURRELL, Committee.

Motion and second to accept the report. No discussion; motion carried.

Under New Business, the case of Mount Zion coming back into our Union was brought up and decided, and as no messengers were present, we could not give them a welcome into the union, and that part of it was laid over until next year. Some talks on our Associational Missionary Worker, and as the State Baptist Board will cut our Missionary ten percent next year, beginning January 1, 1954, we will have to make up more money to pay him.

Talks by newly elected officers: first, Rev. Robert B. Vaughn, Moderator; J. Henry Roberts, spoke saying, this made him the 19th time elected as Clerk and Treasurer; Miss Viola Hawkins,Assistant Clerk, saying she would do her best; Rev. Ralph L. Hogan, in charge of Training Union, and that he would do his best. Other newly elected officers were not present.

Song by congregation, "God Be With You Till We Meet Again," and a good old-time handshake, and were dismissed by the Moderator, Rev. Robert B. Vaughn.

REV. ROBERT B. VAUGHN, Moderator
REV. JACK C. DAVIS, Vice-Moderator
J. HENRY ROBERTS, Clerk and Treasurer

J. HENRY ROBERTS

At the 98th session of the New Found Baptist Association at Cedar Hill, I was elected your Clerk for the ninteenth time in succession beginning at North Fork Church in 1935 where I was nominated by the late Bro. George W. Wild.

In 1935 we only had 22 churches in the Association and our missions all told was $104.00. Orphanage, Hospitals and others were not added in at that time. It is now, and in 1952 we paid $2,715.47 for Missions and had 32 churches in our union. This year we have 34 churches. We have had two churches to go down; four to join other Associations and one of them to come back to the New Found.

I sure am grateful to the good folks of the New Found Association for their cooperation and the courtesy they have shown me. Have tried my best to make you a good servant and to help build up in every way I could.

Yours sincerely,

J. HENRY ROBERTS.

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs First, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Riverview, Turkey Creek, Union, Woodfin, and Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found Baptist Association.

Section 2.-The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churchers forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dessension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messngers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION

BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Baptist Association, shall be opened and closed by prayer.

2.—A Moderator, Vive-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliv er the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise

or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules or order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

American Bible Society report called and read.

AMERICAN BIBLE SOCIETY REPORT

One hundred and fifty years of Bible Society Progress. Back in the days when quill pens were used to write with, printing was done by manpower, transportation was done by man and horse, by sailboats, the journeys of Livingston into "dark" Africa were still in the future. About a score of years earlier the American colonies had won their freedom. The newly founded Religious Tract Society, Baptist Missionary Society, London Missionary Society and in this group some enterprising Christian men got together and the alert mind of Joseph Hughes commented, "If for Wales, why not for the kingdom? Why not for the world". So on March 7, 1804, "The British and Foreign Bible Society" was launched. This is the historic event we shall celebrate in 1954. In America the first Bible Society, that in Philadelphia, appeared in 1808. The British and American Bible Society have translated the Bible in nearly a thousand different languages and put out more than a billion Scriptures. A wonderful missionary work our American Bible Society is doing. "Let's do more for this Society than heretofore".

Was read and adopted.

Respectfully submitted,
(Miss) Pearl Wells

"All subjects will be by motion and second and then discussed. To see Committees on subjects turn back to "Committees".

Associational Missionary's report called and read.

ASSOCIATIONAL MISSIONARY REPORT

"For God so loved the world that he gave his only begotten son". I have thought of this a lot and wonder how united we have given. Have visited 23 churches. Have visited 11 churches outside the Association. Have spent 15 days in V. C. Bible School and 20 days in revival work. Preached 46 times and traveled 2,180 miles.

Respectfully submitted,
Rev. Jack C. Davis
Associational Missionary

Remarks by Rev. Jack C. Davis.

At this time Rev. Walter Zuoda made a talk on Catholicism and brought out some good points.

Cooperative Program called and read.

COOPERATIVE PROGRAM REPORT

The cooperative program is the plan that has been in operation about twenty-eight years among Southern Baptists to properly undergird and support all the basic work of Baptists in local, state, in the Southern Baptist Convention and our Foreign Mission Program to the ends of the earth. Through this plan, churches can eliminate the ever-growing number of special offerings. Throughout the south, Baptists have believed this plan inspired of God and was the method that would continually keep the folks marching together in a world mission program.

Committee

Discussed by Dr. M. A. Huggins, Treasurer North Carolina Baptist Convention and well done.

Education report called and read:

EDUCATION REPORT

Christian Education is to think of the life, and training, and teaching, and commission of the Lord Jesus Christ, who was and is the greatest leader of all Christian Education, and the greatest Teacher in Christian Education that this world has ever known. Teaching to observe all things that Jesus commanded, should begin in the home with true Christian parents as the teacher. Our homes and churches must help our schools, and our schools must help our homes and churches, by sending back to our homes and churches our sons and daughters with a true Christian Education by having been taught to "Search the Scriptures" to find eternal life and eternal wisdom and to "observe all things" Jesus taught.

Committee

Discussed by Claud F. Gaddy of N. C. Baptist Council on Christian Education, Raleigh, and Ralph H. Crook, Meredith College.

Home for the Aged called and read:

HOME FOR THE AGED REPORT

The Baptist State Convention of North Carolina in its November, 1950 session, authorized a committee on the Home for the Aged at Winston-Salem to open and operate such a home when the funds for the operation may come available .

The committee was successful in finding a way to operate. They elected Rev. James M. Hayes to serve as superintendent and Miss Edna Heinzerling as supervisor. The Home, known as "Rest Haven for the Aged," is in operation and supported by our Baptist people of North Carolina.

COMMITTEE.

This subject layed over till tomorrow.

Hospital report called and read

HOSPITAL REPORT

Glad to report the Baptist Hospital of North Carolina at Winston-Salem is an institution we Baptists should be proud of. They are doing a wonderful work in caring for the sick and in training doctors and nurses. This is a very religious institution and the chaplain, Doctor W. K. McGee, covers a multitude of activities and duties and is a part of the healing team, visiting patients who are emotionally upset from the thoughts of an operation.

The new wings have been added since last year which make about 400 beds for patients, and yet not enough rooms.

Respectfully submitted,
REV. WELDON BALL,
Representing the Baptist Hospital.

This was laid over till tomorrow for discussion.

Memorial report called and read.

MEMORIAL REPORT

There were twenty-nine deaths reported last year and there are 35 this year, including four of our ministers who were pastors: Rev. Denver T. Brown, Rev. J. Garfield Lindsey, Rev. Fred Warlick and Rev. Willard Caldwell. We feel we have lost friends whose fellowship it was an honor to enjoy. That we offer to all the bereaved families and mourning friends, over whom sorrow has hung her sable mantle, our heart-felt condolence, and pray that Infinite Goodness will inspire their loved ones and friends with the consolation hope in futurity and faith in God, who doeth all things well.

COMMITTEE.

Discussed and adopted.

Ministers Relief report called and read.

MINISTERS' RELIEF REPORT

We have about 2200 ministers in North Carolina that are eligible for the Ministers' Retirement Plan when they have reached the age to retire, or are disabled. Only around 700 are in the plan. This money is handled by the Relief and Annuity Board of the Southern Baptist Convention.

This plan costs the pastor 4% of his salary, the church pays 4% and the convention pays 1%. This means that 9% of the pastor's salary is paid for the benefit of the pastor in his old age and he may retire at 65 if he chooses.

We, your committee, recommend to you these plans—the Ministers' Retirement and the Widows' Supplemental Plans.

COMMITTEE.

Discussed and explained by Dr. M. A. Huggins.

Adjourned till 9:30 Friday morning. Dismissed by Rev. Rufus A. Burrell.

FRIDAY MORNING SERVICE—AUGUST 13, 1954

9:45 a. m. Song service by congregation; devotions by Rev. Howard H. Mann, and prayer by Rev. J. Grady Freeman.

Welcome to visitors. (See Visitors).

Balance of committees were named at this time.

Report on State Home and Foreign Missions called and read.

MISSIONS REPORT: STATE, HOME and FOREIGN

State Mission—All the states of the Southern Baptist have a well organized and functioning State Mission Board through which Christ's three-fold ministry of preaching, teaching and healing are being carried out. Through this agency areas that are destitute of Gospel privilege and the Baptist message are supplied, churches are aided in securing proper pastoral leadership, trained Sunday School workers. State Missions have been doing a wonderful work in promoting Christ's program on earth. Our State Mission Board has sure played a vital part in making North Carolina the Baptist stronghold it is today with more than three thousand churches and more than seven hundred thousand members

Home Missions with headquarters in Atlanta, Georgia, was established in 184. The purpose of the Home Mission Board is to evangelize the homeland and to marshal its forces for world-conquest for Christ. For this task it would seem God has preserved and trained and equipped Southern Baptist. They believe the Bible They are evangelistic. They hold the ordinances of the New Testiment purity.

Foreign Mission with headquarters in Richmond, Virginia, was established in 1845 and today we have missionaries over most parts of the world, and are short of Foreign Missionaries, for the lack of trained workers and funds. True, a large portion of the Foreign work has become self-supporting and yet we are short of funds for the spread of the gospel to foreign fields.

COMMITTEE.

There being no discussion the report adopted.

Orphanage report called and read. This report discussed by the Superintendent, Dr. W. C. Reese of Thomasville, and Rev. J. Grady Freeman and adopted.

ORPHANAGE REPORT

Facts and figures cannot compute the immeasurable good that has been done at our Baptist Orphanage at Thomasville and Kennedy Home at Kinston. Many homeless young lives have been developed and trained into stalwart Christian men and women that were destined to ruin and degredation. Your representative for the Orphanage understands that in 1955 the Orphanage homes will be supported, or partly so, by the State Baptist Convention of North Carolina and through the Cooperative Program. We Baptists owe it to the unfortunate, homeless Orphanage children to give them a Christian Education to make useful men and women.

Respectfully submitted,
O. M. Fish, Representating The Baptist Orphanage

Periodical Report called and read:

PERIODICALS REPORT

In days of old, the prophet Hosea said, "My people perish for lack of knowledge." We have a marvelous array of Christian publications in the Southern Baptist Convention for every age, spiritual interest and need. The aim of it is to inform, enlist, indoctrinate, unify and inspire our people for faithful service in our Lord's name.

In our own state, the Bibical Recorder with a present circulation of approximately 55,000 covers the entire field of our cooperative efforts as Baptists. For some 120 years the Recorder has been going into Baptist homes with its weekly message. There is the orphanage weekly paper, "Charity and Children," printed at the Orphanage Home at Thomasville. The Foreign Mission Board publish the "Commission" in Richmond, Va. The Home Mission in Atlanta, Georgia, publishes the "Home Mission." The "Builder," published by the Southern Baptist Convention in Nashville, Tenn., and many others good reading.

People do more when they know more. As they read, they lead. As they are informed, they are inspired.

Respectfully submitted,
Miss Bonnie Ball

This report was well discussed by Rev. H. M. House, Allied Church League of Shelby, in the absence of representative.

State of Churches Report called and read:

STATE OF CHURCHES REPORT

At the Southern Baptist Convention the report shows there are 29,496 Churches with a membership of 7,886,016. Report shows 361,835 baptisms. At St. Louis report we had given $45,822,830.00 to Missions.

In North Carolina we have 3,107 Churches with a membership of 758,482, with baptisms of 31,293. We gave to all causes $4,494,668.00.

We have in the New Found Association 34 churches and doing about the usual work. Some have improved. Only 2 churches report training unions. Only 3 churches report Vacation Bible Schools. Mount Zion, that came back last year, has changed its name to Riverview Baptist Church. All churches report Sunday Schools. There were 170 Baptisms reported last year and 128 reported this year.

Report on Temperance called and read:

TEMPERANCE REPORT

From reports that come to us it is evident that there is more wine, beer and strong drink being used than at any time in the history of the world with all our fighting to strong drink business. Millions of dollars are spent for beer, wine and whiskey per year.

We feel that it is wrong for our state to legalize the sale of alcoholic beverages. It seems the wets have won out each time when it comes to the law makers allowing a statewide election on this important question and by degrees slipping the hellish stuff closer and closer to our nose. It is now time that we see to it that men elected to our legislature be men we can depend on to help oust the liquor business and elect men that will enforce the law on this business.

COMMITTEE.

Discussed by Dr. R. M. House of **the Allied Church** League of Shelby, Rev. J. Grady Freeman, Rev. Howard H. Mann and adopted.

The 99th annual session of the New Found Baptist Association, meeting for the first time with Chestnut Grove Baptist Church, will go down in the annals of the New Found Association as one of the historic sessions of this Association. Therefore, be it resolved that we express our thanks.

1. To Rev. J. Grady Freeman, the pastor, and to the members of this church, and to the good women who served such delicious meals, and have made good arrangements for our comfort.

2. That we, as Missionary Baptists, may be able to catch visions of the need of sharing our Christ to the ends of the world.

3. That each pastor be present at the Association and urge his messengers to attend that they may be encouraged to do more in this field of service. "Be ye doers of the Word and not hearers only".

J. HENRY ROBERTS

We the New Found Baptist Association wish to express our thanks and gratitude to our former Clerk, J. Henry Roberts, who had to retire due to ill health. He became Clerk at North Fork Baptist Church in 1935, and served till October 1954. We appreciate his wonderful work. He loved his work and always did a good job, was very faithful in attending each meeting. Sorry to have to give him up, he was missed very much at the Association.

We all join together in thanks to him, and prayer to God that He will ever continue to bless him.

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, First, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Riverview, Turkey

Creek, Union, Woodfin, and Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION
BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Baptist Association, shall be opened and closed by prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16. These rules or order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

(The Constitution and By-Laws voted unanimously at Union in the 82nd session of the New Found, 1937, and at Piney Grove session, August, 1942, the 87th session, sections 15, 16, 17 were dropped. By-Laws Sections 7, 8, 17 and 21 were dropped and changed as they now read except Bethel church has joined Buncombe Association, 1945, and a new church, Pinnacle View, has been added, 1945). At the Ninety-First Session at Zion Baptist church, August 1946, the words added in Section 5 "and Assistant Clerk;" in Section 14, the words added in "or report sent in." French Broad was dropped and Ball City and Woodfin churches added in and reads as it now reads.

Edgewood has been added in, French Broad picked up and added in and Article 2 of By-Laws changed and read as it now reads at North Fork in the 92nd Session, August, 1947. AMERICAN BIBLE SOCIETY REPORT

Around One Hundred and Fifty One Years the Bible Society has been in progress. The Bible has been translated into many different languages and sent to many countries. The Bible has also been printed in Braille, that the blind might be able to read the inspiring word of

God, that will so greatly inspire their lives.

The Society is doing a wonderful work. Let us do more for this society, by an offering or gift, that we may be a light to those in darkness, because Jesus said, "Ye are the light of the world." Was read and adopted.

Respectfully submitted,
Miss Pearl Wells

Periodicals Report called and read.

PERIODICALS REPORT

We Southern Baptist have many Christian publications such as: "Biblical Recorder," the Orphanage weekly paper, "Charity and Children", the Foreign Mission publication "Commission", "Home Mission", the Southern Baptist Convention in Nashville, Tenn., publication "The Builder", and others which furnish good reading for every age. They will inform us about the work they are doing, and give inspiration to our people.

If we want our children in our homes to be inspired, and spiritually fed let us provide the material that is needed to do so.

HOSPITAL REPORT

As Representative of the Hospital in this Association, I would like to report that out of 34 churches, only 20 contributed in the Mother's Day Offering, a total of $435.32.

Our Hospital is doing a wonderful mission in healing and in teaching. In 1954 the Hospital admitted 13,609 persons as bed patients, and rendered a total of 107,886 days of patient care. Provided free service in the amount of $500,494.33, in addition to free doctors to all service patients, this was rendered to patients through different sources, mainly through the Mother's Day Offering.

I feel sure that our hospital could do a greater mission, if we in the Association would do our part in our Mother's Day Offering.

Respectfully submitted,
Loyd Fish

CO-OPERATIVE PROGRAM REPORT

We Baptist of North Carolina have a system called Co-Operative Program, through which we can be of service to our Hospital, Orphanage, State, Home and Foreign Missions, Christian Education, Ministerial Relief, etc.

May the Spirit of God move upon the hearts of his people to freely and gladly give of their means for the advancement of his cause in the coming year, that we exceed our present donation of $426.32.

Education Report called and read.

EDUCATION REPORT

The greatest teacher of Christian Education is Jesus Himself. There are men well educated by book learning, yet in darkness and ignorant of the greatest education the world has ever known. This training should start at home with Christian parents, and continue in the Churches, and through Christian school teachers.

We recommend to our Baptist people to patronize our Baptist Colleges in North Carolina.

In addition to the two homes now in operation (Resthaven) and (Albemarle) further expansion is now being planned in order to care for our old folks. We urged everyone to support this worthy cause.

Report on State, Home and Foreign Missions called and read.

MISSIONS REPORT: STATE, HOME AND FOREIGN

Missions are divided into three parts: State, Home and Foreign. Before Christ ascended to Heaven while he was with his disciples he gave them this charge, "Go ye therefore and teach all nations, baptizing them in the name of the Father, and the Son, and the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and lo I am with you alway, even unto the end of the world."

In 1955 and 1956 let us express our belief and desire to help by making an offering that may far exceed this years offering of $112.74.

Committee: Mrs. Bertha Moore, Mrs. Marie Rash, Miss Bonnie Ball.

Was read and adopted.

Orphanage report called and read.

ORPHANAGE REPORT

North Carolina Baptist Orphanage at Mills Home and Kennedy Home care for about seven hundred children a year. The Social Service Staff of the Orphanage has also helped a great number of children who could not be admitted, to find homes where they are cared for.

Our churches through the once a month offering and supplemented by the Thanksgiving Offering continue to meet the challenge of the homeless children.

Truly God will continue to bless our people—as they minister those who can't help themselves. Our Saviour said, "Whosoever shall receive one of such children in my name, receiveth me and whosoever shall receive me receiveth not me but Him that sent me."

TEMPERANCE REPORT

Sin is expressed to us each day in many different ways. One of them is drinking, which can cause so many other sins, gambling, divorces, broken homes, cursing, Sabbath breaking, forgetting God and Holy things and many other impossible to number.

Many millions of dollars are spent each year for whiskey, beer and wine. "Wine is a mocker, strong drink is raging and whoever is deceived thereby is not wise". So let us trust in God, who can deliver us from all evil and bring us out victorious in the end.

THE NEW FOUND BAPTIST ASSOCIATION CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Beulah, Caney Fork, Cedar Hill, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Harmony Hill, Hopewell, Hot Springs, First, Inanda, Jones Valley, Liberty, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, North Fork, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Riverview, Turkey Creek, Union, Woodfin, Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies propose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1.—The confederation of churches shall be known and called by the name of the New Found Baptist Association.

Section 2.—The object of the Association shall be to promote the glory of God on earth by preaching of His Son, Jesus Christ, our Savior, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3.—This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4.—Each church shall be entitled to three representatives to the Association up to fifty church members, and one for each addition of twenty-five.

Section 5.—The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members of the Executive Committee.

Section 6.—Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7.—This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8.—As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9.—In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the mesesngers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the union, through their Messengers.

Section 10.—It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 11.—The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 12.—When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 13.—The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 14.—The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 15.—Amendments may be made to the Constitution at any meeting of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes of the preceding year.

Section 16.—The Constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 17.—Any and all previous Constitution of this Association is hereby repealed.

THE NEW FOUND BAPTIST ASSOCIATION BY-LAWS OR RULES OF ORDER

1.—Every sitting of this body, the New Found Baptist Association, shall be opened and closed by prayer.

2.—A Moderator, Vice-Moderator, Clerk and Treasurer and Assistant Clerk and other officers shall be chosen annually by ballot, or if unanimously, by acclamation before noon on the first day of the annual session of the body present and take over their office the last act of the session.

3.—The Moderator shall preside and decide all questions of order, subject to appeal to the Association. He shall appoint all committees, unless otherwise ordered.

4.—The Clerk shall preserve a regular file of minutes of the Association from year to year, and have it present at the meeting of the body; and when he vacates his office, deliver the same with all books and other papers relating to his office, to his successor. He shall be required to keep an accurate record of the proceedings of the meetings and have charge of the printing of the Minutes of the Association.

5.—Business generally shall originate from minutes of the last session and the letters of the present but other matters may be introduced by consent of the Association.

6.—Brethren invited to seats with us shall have the liberty of discussion but not a vote.

7.—No question shall be discussed without a motion thereon first being made and seconded. Motion made and seconded shall be stated by the Moderator previous to any discussion thereon. All resolutions shall be reduced to writing before being put to vote. Lost motions shall not be recorded unless ordered.

8.—Speakers shall rise and address the Moderator, and if recognized, shall confine themselves to the subject under discussion. No person shall speak more than twice on the same subject without leave of the Association.

9.—If a proposition or motion contains two or more points it shall be divided by request of one or more members and vote taken separately.

10.—The Moderator may speak on any subject, either by permission or provided the chair is filled by the Vice-Moderator or a member of the Association. He shall not vote unless the Association is divided.

11.—A motion to adjourn shall always be in order, except when the Association is voting or a member speaking, and shall be decided without debate.

12.—In case any church of this Association shall not be represented by messenger or letter at two consecutive annual sessions, a committee, to consist of two pastors and one layman, shall be appointed by the Moderator to visit said church, and, in behalf of the Association, to counsel and advise or aid in a series of meetings or otherwise encourage and help such church, as the case may demand, and report to the Association at the next session.

13.—Each church in this Association is urged to contribute systematically during the year for Missions and Benevolences, and to forward same to the Secretary-Treasurer of the General Board at Raleigh, N. C.

14.—The churches and Sunday Schools are urged to make full and exact reports of all money raised during the Association year, taking pains to fill out correctly all statistical blanks.

15.—Statistical tables, showing statistics of the churches, including all finances, shall be published in the minutes each year. All Sunday School statistics shall be published in a separate table.

16.—These rules of order shall be printed in the Minutes every year, and shall be read immediately after the organization of the body.

PERIODICAL REPORT

In days of old, the Prophet Hosea said, "My people perish for lack of knowledge". We have a marvelous array of Christian publications in the Southern Baptist Convention for every age, spiritual interest and need.

The aim of it is to inform, enlist, unify, and inspire our people for faithful service in our Lord's name.

We have Biblical Recorder, the Orphanage weekly paper, Charity and Children, and many other good readings.

People do more as they read, they lead, as they are informed, they are inspired.

Respectfully submitted,
Miss Bonnie Ball

Introductory sermon by the appointee, Rev. Harold Townsend, bringing an inspiring message from Heb. 6:4-19.

12:00 Noon — Adjourn for dinner.

AFTERNOON SERVICE
BAPTIST HOSPITAL REPORT

The year 1955 was the best in service our Baptist Hospital has ever had. Our churches gave the largest Mother's Day Offering they have ever made, and the Hospital was able to serve more sick people than ever before. More than 115,000 days of bed-patient care were rendered to almost 15,000 sick people, and more than 100,000 visits were made to the clinics and offices of the medical staff.

Following the completion of the new south wing and the moving of a number of departments into new quarters, much of the original building which was constructed in 1923 had to be renovated. Most of this work has been completed, as is evidenced by the new waiting rooms for visitors and many other changes. Our Hospital is not only larger now, but it has the best facilities and staff to serve our people that it has ever had.

The new X-ray department is one example of improvement. Just recently, three new type X-ray machines have been installed at a cost of over $30,000. A small concrete building is now under construction to house a cobalt machine, which is much more safe and much more effective in the treatment of certain types of cancer than any X-ray machines now being used. The cost of this will be $75,000. No other hospital in North Carolina has equipment equal to these new machines. We now have the best X-ray department in the South. The doctor who heads the department is one of the outstanding radiologists in America.

Most other departments have been improved and new departments added. Regular services are being held in the beautiful new Chapel which was opened in June. We now have a fine specialist for testing and advising those who have defective hearing. A highly skilled plastic surgeon is joining our staff this fall. Our Baptist Hospital is trying to stay in the forefront in providing for our people the best there is available in medical service.

The most urgently needed new facilities are a new nurses' home, in order that the nursing school may be enlarged, and additional parking facilities. Anyone who has visited the Hospital recently is probably aware of the serious parking problem, and the nursing school need is equally acute.

Costs in all hospitals have increased steadily and every indication is that they will continue to increase. Such medical service as is provided by our Baptist Hospital cannot be made available without great cost. All who can possibly do so should carry hospital insurance with a reliable company. Those of us who can pay for our medical care must do so. Then we need to give generously through our Mother's Day Offering to help care for those who cannot care for themselves.

Respectfully submitted,
Loyd Fish

Report read by Loyd Fish.
Read and adopted.
Discussed by Dr. W. K. McGee, Baptist Hospital.
Orphanage Report called and read.

ORPHANAGE REPORT

During the year of 1955 a total of 824 applications for the care of needy children passed over the desk of the General Superintendent. A decision had to be made on each case. We were able to admit to some phase of our program 137 of these children. To the other 687 we had to say no. Of course, many of these were accepted for some sort of care by relatives or other agencies.

In 1955 there were 58% more applications sent to us than in 1950. Thus the need, based on the number of applications, grows greater each year. Last year we cared for a total of 736 children, or 23 more than the year before. The increase was in foster home care and was made possible by an increase in the Thanksgiving Offering.

Respectfully submitted,
O. M. Fish

CO-OPERATIVE PROGRAM REPORT

If we wish to help our Hospital, State, Home and Foreign Missions Christian Education, Orphanage, Ministerial Relief, etc., we can help not by sending an offering to each, but by sending one offering which is divided and set apart for each of the above mentioned.

May each moved by the spirit of God to help support these worthy causes.

TEMPERANCE REPORT

No matter how close we walk with God, we always have a fight against sin. Sin is on every hand and is always presenting itself in many ways. We find so many people who are given to strong drink and its many downfalls. In God's Word we find a woe pronounced upon this. "Woe unto them that are mighty to drink wine and men of strength to mingle strong drink". Let us put our trust in God who can protect us from the sin which doth so easily beset us, and let us run with patience the race that is set before us.

UNFINISHED, NEW BUSINESS AND MISCELLANEOUS

Committee appointed at last year's session to visit Roaring Fork and report at this session, reported that Roaring Fork, due to the fact that their people have moved away and left such a few, there isn't enough to carry on so they have discontinued their services, therefore the Association voted to drop them from their reports.

A move was made to carry Inanda over until next year, to find out definitely if they had joined the Buncombe Association, and then to withdraw from them.

A move was made and adopted that we join in helping to put down liquor, beer and wine.

Moved that the Standing Committee be dropped, and the Evangelistic Committee consisting of 5 ministers in the Association be adopted. That they carry out their meetings and report to the Association at the Annual Session.

Talks by newly elected officers.

Song by congregation, "God Be With You Till We Meet Again", and an old-time handshake. This closed a good Association on our One Hundred and First Annual Session, to meet with Ball City and Redmon in 1957.
